DEFINITIONS

SECTION 1.01 Certain Defined Terms.

(a) Certain capitalized terms used throughout this Agreement are defined above or in this Section 1.01.

(b) As used in this Agreement and the exhibits and schedules thereto (each of which is hereby incorporated herein and made a part hereof), the following terms shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

#75870257_v11

“1940 Act” means the Investment Company Act of 1940, as amended, and the rules and regulations promulgated thereunder.

“Adjusted Borrowing Value” means for any Loan Asset, for any date of determination, the Assigned Value of such Loan Asset at such time multiplied by the Outstanding Balance of such Loan Asset (exclusive of Accreted Interest); provided that the parties hereby agree that the Adjusted Borrowing Value of any Warranty Loan Asset or any Loan Asset that is no longer an Eligible Loan Asset shall be zero.

“Approval Notice” means with respect to any Eligible Loan Asset, the written notice, in substantially the form attached hereto as Exhibit A-1, evidencing the approval by the Administrative Agent, in its sole discretion, of the acquisition or origination, as applicable, of such Eligible Loan Asset by the Borrower.

“Assigned Documents” has the meaning assigned to that term in Section 2.12.

“Assigned Value” means, with respect to each Loan Asset, as of any date of determination and expressed as a percentage of the Outstanding Balance of such Loan Asset, (i) on and after the Cut-Off Date but prior to the date the Assigned Value for such Loan Asset is first modified pursuant to this definition, the lowest of the following: (a) 100.0%; (b) the purchase price for such Loan Asset paid by the Borrower (calculated without giving effect to any netting of fees or expenses); provided that original issue discount shall be disregarded for purposes of calculating the purchase price under this clause (b), and (c) the value assigned to such Loan Asset by the Administrative Agent in its sole discretion as of the Cut-off Date; and (ii) after any occurrence of a Value Adjustment Event with respect to such Loan Asset:

(a) If a Value Adjustment Event of the type described in clauses (a), (b), (d) or (e) of the definition thereof with respect to such Loan Asset occurs, the Assigned Value of such Loan Asset will be modified to zero.

(b) If a Value Adjustment Event other than of the type described in clauses (a), (b), (d) or (e) of the definition thereof with respect to such Loan Asset occurs, the “Assigned Value” may be modified by the Administrative Agent in its sole discretion upon each such occurrence. In the event the Borrower disagrees with the Administrative Agent’s determination of the Assigned Value (i) the Borrower shall have the right to request that the Administrative Agent revalue such Loan Asset on the basis of additional information provided by or on behalf of the Borrower and, if it so requests, the Administrative Agent shall cooperate in good faith with the Borrower in such revaluation and, if so applicable in its sole discretion of the Administrative Agent, increase the Assigned Value of such Loan Asset; or (ii) the Borrower shall have the right (at the Borrower’s expense) to retain any Approved Valuation Firm to value such Loan Asset; provided, that the aggregate number of Loans Assets for which the Borrower has retain an Approved Valuation Firm to have a value determined in any trailing twelve (12) month period shall not exceed the product of 25% times the aggregate number of Eligible Loans Assets at such time. If the value determined by such firm is greater than the Administrative Agent’s determination of the Assigned Value, such firm’s valuation shall become the Assigned Value of such Loan Asset for purposes of clause (ii) in the lead in of this definition; provided that such revised Assigned Value of such Loan Asset shall be the value as assigned by the Administrative Agent until the Administrative Agent has revised the value in accordance with this Agreement; provided further that (A) the Assigned Value of such Loan Asset shall be the value assigned by the Administrative Agent until such firm has determined its value and (B) following a determination of the Assigned Value by an Approved Valuation Firm pursuant to this clause (b), the Administrative Agent shall have the right to request that such Loan Asset be independently evaluated by an additional third-party pricing service or independent valuation firm at the expense of the Administrative Agent so long as no Event of Default has occurred and is continuing and, if

the value of any Loan Asset determined by such independent valuation provider is less than the value determined by the Approved Valuation Firm pursuant to this clause (b), then the Assigned Value shall be the value determined by the pricing service or valuation firm selected by the Administrative Agent; provided further that if the value determined by such firm is lower than the Administrative Agent's determination of the Assigned Value, the Administrative Agent in its sole discretion may further modify the Assigned Value of such Loan Asset to reflect such lower value; and provided further that such revised Assigned Value of such Loan Asset shall not exceed the Assigned Value of such Loan Asset as of the Cut-Off Date.

(c) The Assigned Value of any Defaulted Loan Asset may be increased in the reasonable discretion of the Administrative Agent upon (I) the cure of the Value Adjustment Event that gave rise to the Defaulted Loan Asset and (II) the written request of the Borrower.

(d) The Assigned Value of a Loan Asset with an ongoing Value Adjustment Event may be subject to additional adjustments upon the receipt of additional financial information resulting in the determination by the Administrative Agent in good faith and in consultation with the Servicer that the creditworthiness of the Obligor has deteriorated since the date the immediately preceding Assigned Value was determined, or the occurrence of a concurrent or subsequent Value Adjustment Event, in each case subject to the dispute rights set forth in clause (b).

(e) The Administrative Agent shall promptly notify the Servicer of any change effected by the Administrative Agent of the Assigned Value of any Loan Asset.

"Assignment and Acceptance" has the meaning assigned to that term in Section 11.04(a).

"Available Collections" means as of any date of determination all cash collections and other cash proceeds actually received with respect to any Loan Asset, including without limitation all Principal Collections, all Interest Collections, all proceeds of any sale or disposition with respect to such Loan Asset, cash proceeds or other funds received by the Borrower or the Servicer with respect to any Underlying Collateral (including from any guarantors), all other amounts on deposit in the Collection Account from time to time, and all proceeds of Permitted Investments with respect to the Controlled Accounts; provided that, for the avoidance of doubt, "Available Collections" shall not include amounts on deposit in the Unfunded Exposure Account which do not represent proceeds of Permitted Investments.

"Bankruptcy Code" means Title 11, United States Code, 11 U.S.C. §§ 101 et seq., as amended from time to time.

"Bankruptcy Event" shall be deemed to have occurred with respect to a Person if either:

(a) a case or other proceeding shall be commenced, without the application or consent of such Person, in any court, seeking the liquidation, reorganization, debt arrangement, dissolution, winding up, or composition or readjustment of debts of such Person, the appointment of a trustee, receiver, custodian, liquidator, assignee, sequestrator or the like for such Person or all or substantially all of its assets or any similar action with respect to such Person, in each case, under any law relating to bankruptcy, insolvency, reorganization, winding up, or composition or

“Bankruptcy Laws” means the Bankruptcy Code and all other applicable liquidation, conservatorship, bankruptcy, moratorium, rearrangement, receivership, insolvency, winding up, reorganization, suspension of payments, or similar debtor relief laws, including those of any other applicable jurisdiction from time to time in effect affecting the rights of creditors generally.

“Base Rate Advances Outstanding” means, at any time, the outstanding Base Rate Advances.

“Base Rate Yield Rate” means, as of any date of determination, an interest rate per annum equal to the Base Rate for such date plus the Applicable Spread.

“Benchmark Replacement” means the sum of: (a) the alternate benchmark rate (which may include Term SOFR) that has been selected by the Administrative Agent and the Borrower giving due consideration to (i) any selection or recommendation of a replacement rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a rate of interest as a replacement to LIBOR for U.S. dollar-denominated syndicated credit facilities and (b) the Benchmark Replacement Adjustment; provided that, if the Benchmark Replacement as so determined would be less than zero, the Benchmark Replacement will be deemed to be zero for the purposes of this Agreement.

“Benchmark Replacement Adjustment” means, with respect to any replacement of LIBOR with an Unadjusted Benchmark Replacement for each applicable Interest Period, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of LIBOR with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of LIBOR with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated syndicated credit facilities at such time.

If any Variable Funding Note is issued, interest shall accrue on such Variable Funding Note, and such Variable Funding Note shall be payable, as described herein.

(b) Advances. On the terms and conditions hereinafter set forth, from time to time from the Closing Date until the end of the Reinvestment Period, the Borrower may request that the Lender make Advances secured by the Collateral Portfolio, (w) to be paid to the Borrower for the purpose of purchasing Eligible Loan Assets, (x) to be deposited in the Unfunded Exposure Account in an amount up to the Unfunded Exposure Amount, (y) to be deposited in the Pre-Funded Loan Asset Account for the purpose of funding a Pre-Funded Loan Asset, or (z) to be paid to the Borrower for distributions to the Equityholder (so long as such distribution is permitted pursuant to Section 5.02(l)). (c) Notations on Variable Funding Note. The Lender is hereby authorized to enter on a schedule attached to any Variable Funding Note evidencing the loan made hereunder a notation (which may be computer generated) with respect to each Advance under such Variable Funding Note made by the Lender of: (i) the date and principal amount thereof, and (ii) each repayment of principal thereof, and any such recordation shall constitute prima facie evidence of the accuracy of the information so recorded. The failure of the Lender to make any such notation on the schedule attached to any Variable Funding Note shall not limit or otherwise affect the obligation of the Borrower to repay the Advances Outstanding in accordance with their respective terms as set forth herein.

SECTION 2.02 Procedure for Advances.

(a) During the Reinvestment Period, the Lender will make Advances on any Business Day at the request of the Borrower, subject to and in accordance with the terms and conditions of Sections 2.01 and this 2.02 and subject to the provisions of Article III hereof.

Each Notice of Borrowing shall include a duly completed Borrowing Base Certificate (updated to the date such Advance is requested and giving pro forma effect to the Advance requested and the use of the proceeds thereof), and shall specify:

(i) the aggregate amount of such Advance, which amount shall not cause the Advances Outstanding to exceed the Borrowing Base; provided that, except with respect to an Advance pursuant to Section 2.02(f), the amount of such Advance must be at least equal to \$500,000;

(ii) the proposed Advance Date and whether such Advance will be a LIBOR Advance or a Base Rate Advance;

(e) A determination by SMBC of the existence of any LIBOR Disruption Event (any such determination to be communicated to the Borrower by written notice from the Administrative Agent promptly after the Administrative Agent learns of such event), or of the effect of any LIBOR Disruption Event on its making or maintaining Advances at LIBOR, shall be conclusive absent manifest error.

(f) If, on the last day of the Reinvestment Period (or within three Business Days after the Borrower receives written notice from the Administrative Agent of the termination of the Reinvestment Period after the occurrence of an Event of Default), the amount on deposit in the Unfunded Exposure Account is less than the Unfunded Exposure Amount, the Borrower shall request an Advance in the amount of such shortfall after taking into account the amounts required to be deposited into the Unfunded Exposure Account in accordance with clause (iii) below (the "Exposure Amount Shortfall"). Following receipt of a Notice of Borrowing (as described in clause

(ii) below), the Lender shall fund such Exposure Amount Shortfall in accordance with Section 2.02(b), notwithstanding anything to the contrary herein (including without limitation (a) the Borrower's failure to satisfy any of the conditions precedent set forth in Section 3.02, (b) the occurrence of an Event of Default or (c) the existence of (x) an Unmatured Event of Default or (y) a Borrowing Base Deficiency); provided that:

(i) the Lender may fund such Exposure Amount Shortfall in its sole discretion to the extent that doing so would cause the Lender to make an Advance that would result in the aggregate outstanding principal amount of the Advances to exceed the Maximum Facility Amount;

(ii) the Borrower shall have caused a properly completed Notice of Borrowing (which shall specify the account details of the Unfunded Exposure Account where the funds will be made available) to be delivered to the Administrative Agent (with a copy from the Administrative Agent to the Lender) on a timely basis; and

(iii) to the extent the Reinvestment Period has ended due to the occurrence of an Event of Default, the Lender shall have a funding obligation with respect to the Exposure Amount Shortfall under this Section 2.02(f) solely to the extent that (1) the Borrower shall have, prior to the date of such funding obligation, deposited an amount not less than the Unfunded Exposure Equity Amount in the Unfunded Exposure Account pursuant to Section 2.04(d)(vi) or by an equity contribution by the Equityholder into the Unfunded Exposure Account or by any combination of those two methods and (2) such funds, as of the date of such funding, remain on deposit in the Unfunded Exposure Account.

For the avoidance of doubt, the Borrower shall not be required to fund the Unfunded Exposure Account unless and until the occurrence of an Event of Default that is continuing or the last day of the Reinvestment Period or as required to prevent the occurrence of a Borrowing Base Deficiency. For the further avoidance of doubt, any obligation of the Lender to make an Advance pursuant to this Section 2.02(f) shall be without prejudice to the obligation of the Borrower to cure any Borrowing Base Deficiency that exists prior to such Advance or results therefrom.

The Lender shall determine the Yield for the Advances Outstanding (including unpaid Yield related thereto, if any, due and payable on a prior Payment Date) to be paid by the Borrower on each Payment Date and shall advise the Servicer thereof on the fourth Business Day prior to such Payment Date (with a copy to the Account Bank).

(i) at any time during the term of this Agreement, the proceeds of the sale of such Loan Asset will be less than the Adjusted Borrowing Value of such Loan Asset;

(ii) at any time from and after the end of the Reinvestment Period, immediately after the sale of such Loan Asset, the value of the Collateral Portfolio is less than 50% of the value of the Collateral Portfolio as of the end of the Reinvestment Period; or

(iii) less than \$3,000,000 in Outstanding Balance of such Loan Asset (but, for the avoidance of doubt, more than \$0) will remain in the Collateral Portfolio after such sale;

(D) no selection procedure adverse to the interests of the Secured Parties was utilized by the Borrower or Servicer in the selection of Loan Asset that would be subject to such sale; and:

(E) at any time prior to the end of the Reinvestment Period, if the proceeds of the sale of such Loan Asset will be equal to or greater than the Adjusted Borrowing Value of such Loan Asset:

(i) if the Borrower shall request consent from the Administrative Agent to any such sale and the Administrative Agent shall grant such consent (such consent not to be unreasonably withheld, conditioned or delayed), then Principal Collections received by the Borrower from such sale in an amount equal to the product of (1) the Applicable Percentage for such Loan Asset as of the date of such sale and (2) the Adjusted Borrowing Value of such Loan Asset as of the date of such sale shall be applied as Designated Sale Proceeds to reduce Advances Outstanding in accordance with (x) Section 2.21, (y) Section 2.04(b), to the extent such Principal Collections are distributed from the Principal Collection Account on a Payment Date, or (z) Section 2.04(c), to the extent such Principal Collections are distributed from the Principal Collection Account on a date other than a Payment Date; or

On any Optional Sale Date and subject to Section 2.18, the Borrower shall have the right to prepay all or a portion of the Advances Outstanding in connection with the sale and assignment by the Borrower of all or a portion of the Loan Assets, as the case may be in connection with a Permitted Securitization or a Permitted Refinancing (each, an "Optional Sale"), subject to the following terms and conditions:

(A) the Borrower shall have given the Administrative Agent (with a copy to the Collateral Agent and the Account Bank) at least 30 days' prior written notice of its intent to effect an Optional Sale in connection with a Permitted Securitization or a Permitted Refinancing, unless such 30 days' notice requirement is waived or reduced by the Administrative Agent and the Administrative Agent (in its sole discretion) shall have consented in writing thereto; and the Administrative Agent shall have consented in writing in its sole discretion to any Optional Sale as a result of such Permitted Securitization, such consent not to be unreasonably withheld, unless such Optional Sale is pursuant to a Permitted Securitization arranged by SMBC, in which case such consent shall be deemed to be given;

In effecting an Optional Sale, the Borrower may use the Proceeds of sales of the Loan Assets to repay all or a portion of the Obligations;

fees incurred by the Administrative Agent or by the Lender in connection with such Optional Sale;

(E) the prior written consent of the Administrative Agent (in its sole discretion) shall be required if: (I) in the case of an Optional Sale of less than all the Loan Assets, (i) at any time during the term of this Agreement, the aggregate proceeds of the sale of the Loan Assets to be sold in the Optional Sale will be less than the aggregate Adjusted Borrowing Value of such Loan Assets being sold; or (ii) at any time from and after the end of the Reinvestment Period, immediately after the sale of such Loan Asset, the value of the Collateral Portfolio is less than 50% of the value of the Collateral Portfolio as of the end of the Reinvestment Period, and (II) in the case of an Optional Sale of all of the Loan Assets, the aggregate proceeds of the Loan Assets to be sold in the Optional Sale will be less than the amount necessary to repay the Obligations in full;

(F) no selection procedure adverse to the interests of the Secured Parties was utilized by the Borrower or Servicer in the selection of Loan Asset that would be subject to such Optional Sale; and

(G) at any time prior to the end of the Reinvestment Period, if the proceeds of the sale of such Loan Assets will be equal to or greater than the Adjusted Borrowing Value of such Loan Assets, then:

(i) if the Borrower shall request consent from the Administrative Agent to any such sale and the Administrative Agent shall grant such consent (such consent not to be unreasonably withheld or delayed), then Principal Collections received by the Borrower from such sale in an amount equal to the product of (1) the Applicable Percentage for such Loan Asset as of the date of such sale and (2) the Adjusted Borrowing Value of such Loan Asset as of the date of such sale shall be applied as Designated Sale Proceeds to reduce Advances Outstanding in accordance with (x) Section 2.21, (y) Section 2.04(b), to the extent such Principal Collections are distributed from the Principal Collection Account on a Payment Date, or (z) Section 2.04(c), to the extent such Principal Collections are distributed from the Principal Collection Account on a date other than a Payment Date; or

(ii) if the Borrower does not request or requests but does not receive the prior written consent of the Administrative Agent for any such sale, then all of the Principal Collections received by the Borrower from such sale shall be applied as Designated Sale Proceeds to reduce Advances Outstanding in accordance with Section 2.04(b), to the extent such Principal Collections are distributed from the Principal Collection Account on a Payment Date, or Section 2.04(c), to the extent such Principal Collections are distributed from the Principal Collection Account on a date other than a Payment Date.

(v) On or prior to the Lien Release Dividend Date, the Borrower shall have (A) delivered to the Administrative Agent, with a copy to the Collateral Agent and the Account Bank, a list specifying all Loan Assets or portions thereof to be transferred pursuant to such Lien Release Dividend and the Administrative Agent shall have approved the same in its sole discretion and (B) obtained all authorizations, consents and approvals required to effectuate the Lien Release Dividend;

(vi) A portion of a Loan Asset may be transferred pursuant to a Lien Release Dividend; provided that (A) such transfer does not have an adverse effect on the portion of such Loan Asset remaining as a part of the Collateral Portfolio, any other aspect of the Collateral Portfolio, the Lender, the Administrative Agent or any other Secured Party and (B) a new promissory note (other than with respect to a Noteless Loan Asset) for the portion of the Loan Asset remaining as a part of the Collateral Portfolio has been executed,

and the original thereof has been endorsed to the Collateral Agent and delivered to the Collateral Custodian;

(vii) Each Loan Asset, or portion thereof, as applicable, shall be transferred at a value equal to the Outstanding Balance thereof, exclusive of any accrued and unpaid Interest or Accreted Interest thereon;

(e) Repurchase or Substitution of Warranty Loan Assets. If on any day a Loan Asset is (or becomes) a Warranty Loan Asset, no later than 30 days following the earlier of knowledge by the Borrower of such Loan Asset becoming a Warranty Loan Asset, as applicable, or receipt by the Borrower from the Administrative Agent or the Servicer of written notice thereof, the Borrower shall either:

(i) make a deposit to the Principal Collection Account (as Principal Collections for allocation pursuant to Section 2.04) in immediately available funds in an amount equal to the sum of (x) the initial Assigned Value with respect to such Loan Asset multiplied by the Outstanding Balance of such Loan Asset and (y) any expenses or fees with respect to such Loan Asset and costs and damages incurred by the Administrative Agent or by the Lender in connection with any violation by such Loan Asset of any predatory or abusive lending law which is an Applicable Law (a notification regarding the amount of such expenses or fees to be provided by the Administrative Agent to the Borrower); provided that, solely with respect to this clause (i), the Administrative Agent

(a) All amounts to be paid or deposited by the Borrower or the Servicer hereunder shall be paid or deposited in accordance with the terms hereof no later than 5:00 p.m. (New York City time) on the day when due in Dollars in immediately available funds to the Collection Account or such other account as is designated by the Administrative Agent. The Borrower or the Servicer, as applicable, shall, to the extent permitted by Applicable Law, pay to the Secured Parties interest on all amounts not paid or deposited when due hereunder (taking into account any grace period provided for herein related to such payments) to any of the Secured Parties hereunder at an interest rate of 2.00% per annum above the Base Rate (other than with respect to any Advances Outstanding, which shall accrue at the LIBOR Yield Rate or Base Rate Yield Rate, as applicable), payable on demand, from the date of such nonpayment until such amount is paid in full (as well after as before judgment); provided that such interest rate shall not at any time exceed the maximum rate permitted by Applicable Law. Any Obligation hereunder shall not be reduced by any distribution of any portion of Available Collections if at any time such distribution is rescinded or required to be returned by the Lender to the Borrower or any other Person for any reason. Each LIBOR Advance shall accrue interest at the applicable LIBOR Yield Rate for such LIBOR Advance during each applicable Interest Period. All computations of interest and all computations with respect to the Yield, the LIBOR Yield and the LIBOR Yield Rate with respect to LIBOR Advances shall be computed on the basis of a year of 360 days for the actual number of days elapsed. Payments of Yield with respect to each LIBOR Advance shall be payable on each Payment Date on which an Interest Period for such LIBOR Advance ends. Each Base Rate Advance shall accrue interest at the Base Rate Yield Rate for each day beginning on, and including, the Advance Date or Conversion Date, as applicable, with respect to such Base Rate Advance and ending on, but excluding, the Conversion Date for such Base Rate Advance or the date such Base Rate Advance is repaid in full at the Base Rate Yield Rate. All computations of interest and all computations with respect to the Yield with respect to Base Rate Advances shall be computed on the basis of a year of 365 or 366 days, as the case may be, for the actual number of days elapsed. Payments of Yield with respect to Base Rate Advances shall be payable on each Payment Date.

(b) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of Yield or any fee payable hereunder, as the case may be.

(c) If any Advance requested by the Borrower and approved by the Lender and the Administrative Agent pursuant to Section 2.02 is not made or effectuated, as the case may be, on the date specified therefor, whether due to the conditions to such Advance not being satisfied or due to the Borrower failing to accept such Advance, the Borrower shall indemnify the Lender

against any loss, cost or expense incurred by the Lender related thereto (other than any such loss, cost or expense solely due to the gross negligence or willful misconduct or failure to fund such Advance on the part of the Lender, the Administrative Agent or an Affiliate thereof), including without limitation any loss (including cost of funds and reasonable and documented out-of-pocket expenses, but excluding lost profits) cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by the Lender to fund Advances or maintain the Advances Outstanding. The Lender shall provide to the Borrower documentation setting forth the amounts of any loss, cost or expense referred to in the previous sentence, such documentation to be conclusive absent manifest error.

SECTION 2.09 Fees. The Borrower shall pay to the Lender (either directly or through the Administrative Agent) and the Administrative Agent certain fees in the amounts and on the dates set forth in the SMBC Fee Letter.

SECTION 2.10 Increased Costs; Capital Adequacy.

(a) If, due to either (i) the introduction of or any change following the Closing Date (including without limitation any change by way of imposition or increase of reserve requirements) in or in the interpretation, administration or application following the Closing Date of any Applicable Law (including without limitation any law or regulation resulting in any interest payments paid to the Lender under this Agreement being subject to any Tax, except for Taxes on the overall net income of the Lender), in each case whether foreign or domestic or (ii) the compliance with any guideline or request following the Closing Date from any central bank or other Governmental Authority (whether or not having the force of law), there shall be any increase in the cost to the Administrative Agent, the Lender or any Affiliate, participant (provided that a participant shall not be entitled to receive any greater payment under this Section 2.10 than the Lender would have been entitled to receive with respect to the participation sold to such participant), successor or assign thereof (each of which shall be an “Affected Party”) of agreeing to make or making, funding or maintaining any Advance (or any reduction of the amount of any payment (whether of principal, interest, fee, compensation or otherwise) to any Affected Party hereunder), as the case may be, or there shall be any reduction in the amount of any sum received or receivable by an Affected Party under this Agreement, the Borrower shall, from time to time, after written demand by the Administrative Agent (which demand shall be accompanied by a statement setting forth in reasonable detail the basis for such demand), on behalf of such Affected Party, pay to the Administrative Agent, on behalf of such Affected Party, additional amounts sufficient to compensate such Affected Party for such increased costs or reduced payments in accordance with the priority of payments set forth in Section 2.04; provided that the amounts payable under this Section 2.10 shall be without duplication of amounts payable under Section 2.11 and shall not include any Excluded Taxes.

(b) If either (i) the introduction of or any change following the Closing Date in or in the interpretation, administration or application following the Closing Date of any law, guideline, rule or regulation, directive or request or (ii) the compliance by any Affected Party with any law, guideline, rule, regulation, directive or request following the Closing Date, from any central bank, any Governmental Authority or agency, including, without limitation, compliance by an Affected Party with any request or directive regarding capital adequacy, has or would have the effect of reducing the rate of return on the capital of any Affected Party, as a consequence of

its obligations hereunder or any related document or arising in connection herewith or therewith to a level below that which any such Affected Party could have achieved but for such introduction, change or compliance (taking into consideration the policies of such Affected Party with respect to capital adequacy), by an amount deemed by such Affected Party to be material, then, from time to time, after demand by such Affected Party (which demand shall be accompanied by a statement setting forth in reasonable detail the basis for such demand), the Borrower shall pay the Administrative Agent on behalf of such Affected Party such additional amounts as will compensate such Affected Party for such reduction in accordance with the priority of payments set forth in Section 2.04.

(c) In determining any amount provided for in this Section 2.10, the Affected Party may use any reasonable averaging and attribution methods. The Administrative Agent, on behalf of any Affected Party making a claim under this Section 2.10, shall submit to the Borrower a certificate setting forth in reasonable detail the basis for and the computations of such additional or increased costs, which certificate shall be conclusive absent manifest error.

(d) Failure or delay on the part of any Affected Party to demand compensation pursuant to this Section 2.10 shall not constitute a waiver of such Affected Party's right to demand or receive such compensation; provided that the Borrower shall not be required to compensate such Affected Party pursuant to this Section 2.10 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Affected Party notifies the Borrower of any change set forth in clauses (a) and (b) above giving rise to such increased costs or reductions and of such Affected Party's intention to claim compensation therefor (except that, if such change giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) If at any time the Borrower shall be liable for the payment of any additional amounts in accordance with this Section 2.10, then the Borrower shall have the option to terminate this Agreement (in accordance with the provisions of Section 2.18(b)) but without the payment of any Prepayment Premium); provided that such option to terminate shall in no event relieve the Borrower of paying any amounts owing pursuant to this Section 2.10 in accordance with the terms hereof.

(f) Notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act, (ii) all requests, rules, guidelines or directives promulgated by the Account Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, and (iii) all rules and regulations promulgated thereunder or issued in connection therewith shall be deemed to have been introduced after the Closing Date, thereby constituting a change for which a claim for increased costs or additional amounts may be made hereunder with respect to the Affected Parties, regardless of the date enacted, adopted or issued.

SECTION 2.11 Taxes.

(a) All payments made by the Borrower or made by the Servicer on behalf of the Borrower under this Agreement will be made free and clear of and without deduction or withholding for or on account of any Taxes, except as required by law. If any Non-Excluded Taxes

are required to be withheld from any amounts payable to any Affected Party, then the amount payable to such Person will be increased (the amount of such increase, the “Additional Amount”) such that every net payment made under this Agreement after withholding for or on account of any Non-Excluded Taxes (including without limitation any Non-Excluded Taxes on such increase) is not less than the amount that would have been paid had no such deduction or withholding been made.

(b) The Borrower will indemnify, from funds available to it pursuant to Section 2.04 (and, to the extent the funds available for indemnification provided by the Borrower are insufficient, the Servicer, on behalf of the Borrower, will indemnify) each Affected Party for the full amount of Non-Excluded Taxes payable by such Person in respect of Additional Amounts and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. All payments in respect of this indemnification shall be made in accordance with the priority of payments set forth in Section 2.04.

(c) Within 30 days after the date of any payment by the Borrower or by the Servicer on behalf of the Borrower of any Non-Excluded Taxes, the Borrower or the Servicer, as applicable, will furnish to the Administrative Agent at the applicable address set forth on this Agreement, appropriate evidence of payment thereof, a copy of the return reporting such payment, or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Each Lender shall deliver to the Borrower, with a copy to the Administrative Agent, on or prior to the date that such Lender becomes a Lender under this Agreement whichever of the following is applicable:

(A) in the case of a Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest hereunder, executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(B) an executed original of IRS Form W-8ECI;

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable; or

(D) to the extent a Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate, IRS Form W-9,

and/or other certification documents from each beneficial owner, as applicable; provided that if the Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner.

(E) A duly completed copy of Internal Revenue Service Form W-9 (or any successor forms or other certificates or statements that may be required from time to time by the relevant United States taxing authorities or Applicable Law) as will enable the Borrower and the Administrative Agent to determine whether such Lender is exempt from or subject to backup withholding or information reporting requirements.

The Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), at the time or times reasonably requested by the Borrower or the Administrative Agent, executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made. The Lender agrees that if any form or certification it previously delivered pursuant to this Section 2.11(d) or (e) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) The Lender shall deliver to the Borrower and Administrative Agent documentation reasonably requested by the Borrower and Administrative Agent sufficient for the Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that the Lender has complied with such applicable reporting requirements.

(f) If the Administrative Agent or the Lender determines, in its sole discretion exercised in good faith, that it has received a refund or credit (in lieu of such refund) of any amounts as to which it has been indemnified by a Borrower or with respect to which such Borrower has paid additional amounts pursuant to this Section 2.11, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.11 with respect to the amounts giving rise to such refund), together with any interest paid by the relevant Governmental Authority with respect to such refund; provided that the Borrower, upon the request of the Administrative Agent or the Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or the Lender in the event the Administrative Agent or the Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent or the Lender to make available its Tax returns or its books or records (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(g) The Borrower and the Servicer shall timely pay, or at the option of the Lenders and Administrative Agent timely reimburse the Lenders and Administrative Agent for the

payment of, any and all stamp, sales, excise and other Taxes and fees payable or determined to be payable to any Governmental Authority in connection with the execution, delivery, filing and recording of this Agreement, the other documents to be delivered hereunder or any other Transaction Document or the funding or maintenance of Advances hereunder except any such Taxes imposed with respect to an assignment that are imposed as a result of a present or former connection between the Administrative Agent, the Lender, or any other recipient of any payment to be made hereunder and such jurisdiction imposing such a Tax.

Without prejudice to the survival of any other agreement of the Borrower and the Servicer hereunder, the agreements and obligations of the Borrower, the Servicer, the Administrative Agent and the Lender contained in this Section 2.11 shall survive the termination of this Agreement.

SECTION 2.12 Collateral Assignment of Agreements. The Borrower hereby collaterally assigns to the Collateral Agent, for the benefit of the Secured Parties, all of the Borrower's right and title to and interest in, to and under (but not any obligations under) the underlying sale agreement pursuant to which the Borrower purchases the Loan Assets, the Loan Agreements related to each Loan Asset, all other agreements, documents and instruments evidencing, securing or guarantying any Loan Asset and all other agreements, documents and instruments related to any of the foregoing but excluding any Excluded Amounts or Retained Interest (the "Assigned Documents"). In furtherance and not in limitation of the foregoing, the Borrower hereby collaterally assigns to the Collateral Agent, for the benefit of the Secured Parties, its right to indemnification under the applicable underlying sale agreement pursuant to which the Borrower purchases the Loan Assets; provided that, unless an Event of Default shall have occurred and be continuing, the Borrower shall have the sole right to enforce the Borrower's rights and remedies under the applicable underlying sale agreement pursuant to which the Borrower purchases the Loan Assets for the benefit of the Secured Parties. The parties hereto agree that such collateral assignment to the Collateral Agent, for the benefit of the Secured Parties, shall terminate upon the Collection Date.

SECTION 2.13 Grant of a Security Interest. To secure the prompt, complete and indefeasible payment in full when due, whether by lapse of time, acceleration or otherwise, of the Obligations and the performance by the Borrower of all of the covenants and obligations to be performed by it pursuant to this Agreement and each other Transaction Document, whether now or hereafter existing, due or to become due, direct or indirect, or absolute or contingent, the Borrower hereby (a) collaterally assigns and pledges to the Collateral Agent, on behalf of the Secured Parties, and (b) grants a security interest to the Collateral Agent, on behalf of the Secured Parties, in all of the Borrower's right, title and interest in, to and under (but none of the obligations under) all of the Collateral Portfolio, whether now existing or hereafter arising or acquired by the Borrower, and wherever the same may be located. For the avoidance of doubt, the Collateral Portfolio shall not include any Excluded Amounts, and the Borrower does not hereby assign, pledge or grant a security interest in any such amounts. Anything herein to the contrary notwithstanding, (a) the Borrower shall remain liable under the Collateral Portfolio to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent, for the benefit of the Secured Parties, of any of its rights in the Collateral Portfolio shall not release the Borrower from any of its duties or obligations under the Collateral Portfolio. and (c) none of the Administrative

Agent, the Collateral Agent, the Lender (including without limitation its successors and assigns) or any Secured Party shall have any obligations or liability under the Collateral Portfolio by reason of this Agreement, and none of the Administrative Agent, the Collateral Agent or the Lender (including its successors and assigns) nor any Secured Party be obligated to perform any of the obligations or duties of the Borrower thereunder or to take any action to collect or enforce any claim for payment assigned hereunder. The Borrower authorizes the Collateral Agent to file all such financing statements and amendments thereto pursuant to the UCC or other notices appropriate under applicable law, as the Collateral Agent may require, each in form satisfactory to the Collateral Agent. Such financing statements and amendments may contain a description of the Collateral Portfolio as set forth herein or in any generic manner and may describe the Collateral Portfolio as "all assets" or words of similar effect.

SECTION 2.14 Evidence of Debt. The Administrative Agent shall maintain, solely for this purpose as the agent of the Borrower, at its address set forth in Section 11.02 (or such other address as the Administrative Agent may designate in writing to the other parties to this Agreement) a copy of each assignment and acceptance agreement and participation agreement delivered to and accepted by it and a register for the recordation of the names and addresses and interests of the Lenders (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Administrative Agent and each Lender shall treat each Person whose name is recorded in the Register as a Lender under this Agreement for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, the Account Bank or any Lender at any reasonable time and from time to time upon reasonable prior notice.

SECTION 2.15 Survival of Representations and Warranties. It is understood and agreed that the representations and warranties set forth in Sections 4.01, 4.02 and 4.03 are made and are true, complete and correct in all material respects on the date of this Agreement and on each Advance Date unless such representations and warranties are made as of a specific date and except for such representations and warranties as are qualified by materiality, a Material Adverse Effect or any similar qualifiers which representation and warranties shall be true and correct in all respects.

SECTION 2.16 Release of Loan Assets.

(a) The Borrower may obtain the release of (i) any Loan Asset (and the related Portfolio Assets pertaining thereto) released pursuant to a Lien Release Dividend, sold or substituted in accordance with the applicable provisions of Section 2.07 or liquidated in accordance with Sections 6.05 and 12.08(a) and any Portfolio Assets pertaining to such Loan Asset and (ii) any Collateral Portfolio that expires by its terms and all amounts in respect thereof (other than contingent and unasserted expense reimbursement or indemnification obligations) then due and owing thereunder have been paid in full by the related Obligor and deposited in the Collection Account. The Collateral Agent, for the benefit of the Secured Parties, shall, at the sole expense of the Servicer and at the direction of the Administrative Agent, execute such documents and instruments of release as may be prepared by the Servicer on behalf of the Borrower, give notice of such release to the Collateral Custodian (in the form of Exhibit M) (unless the Collateral Custodian and the Collateral Agent are the same Person) and take other such actions as shall reasonably be requested by the Borrower to effect such release of the Lien created pursuant to this

Agreement. Upon receiving such notification by the Collateral Agent as described in the immediately preceding sentence, if applicable, the Collateral Custodian shall deliver to the Borrower (or its designee) the Required Loan Documents relating to the Loan Asset subject to such release within two Business Days of receipt of such notification and request.

(b) Upon the occurrence of the Collection Date, the respective remaining interests in the Portfolio Assets of each Lender, the Administrative Agent and the other Secured Parties shall be automatically released to the Borrower, for no consideration but at the sole expense of the Borrower, their respective remaining interests in the Portfolio Assets, free and clear of any Lien resulting solely from an act by the Collateral Agent, the Lender, the Administrative Agent or any other Secured Party, but without any other representation or warranty, express or implied, by or recourse against the Lender or the Administrative Agent.

SECTION 2.17 Treatment of Amounts Received by the Borrower. Amounts received by the Borrower in connection with sales and substitutions of Loan Assets pursuant to Section 2.07 on account of such Loan Assets shall be treated as payments of Principal Collections or Interest Collections, as applicable, on Loan Assets hereunder.

SECTION 2.18 Prepayment; Termination.

(a) Except as expressly permitted or required herein, including without limitation any application of proceeds pursuant to Section 2.07 or any other repayment necessary to cure a Borrowing Base Deficiency, Advances Outstanding may only be reduced in whole or in part at the option of the Borrower at any time by delivering a Notice of Reduction (which notice shall include a Borrowing Base Certificate) to the Administrative Agent and the Collateral Agent (with a copy to the Account Bank, Collateral Administrator and Collateral Custodian) at least three Business Days prior to such reduction. Upon any prepayment, the Borrower shall also pay in full any applicable Breakage Fees and other accrued and unpaid costs and expenses of the Administrative Agent and the Lender related to such prepayment, provided that no reduction in Advances Outstanding shall be given effect unless (i) sufficient funds have been remitted to make the amount of such payment in full, as determined by the Administrative Agent, in its sole discretion and (ii) no event would result from such prepayment which would constitute an Event of Default or an Unmatured Event of Default. The Administrative Agent shall apply amounts received from the Borrower pursuant to this Section 2.18(a) to the payment of any Breakage Fees, to the pro rata reduction of the Advances Outstanding and to the payment of any accrued and unpaid costs and expenses of the Administrative Agent and the Lender related to such prepayment and required to be paid hereunder. Any notice relating to any repayment pursuant to this Section 2.18(a) shall be irrevocable; provided that any such notice in connection with a refinancing in full of the Advances Outstanding and the termination of this Agreement and all Obligations hereunder, may state that such notice is conditioned upon the effectiveness of other events, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) (i) The Borrower may, at its option, after providing three (3) Business Days' prior written notice of its intention to do so, terminate this Agreement and the other Transaction Documents upon indefeasible payment in full of all Advances Outstanding, all accrued and unpaid Yield, any Breakage Fees, all accrued and unpaid costs and expenses of the Collateral Agent, the

Administrative Agent and the Lender, the Prepayment Premium (if applicable) and all other Obligations (other than unmatured contingent indemnification and expense reimbursement obligations) and (ii) the Borrower may permanently reduce the Maximum Facility Amount to an amount at any time that is not less than \$150,000,000 upon delivery of a Notice of Reduction at least one Business Day prior to such reduction; provided that no Borrowing Base Deficiency, Event of Default or Unmatured Event of Default would result from such reduction in the Maximum Facility Amount. Any termination of this Agreement shall be subject to Section 11.05.

(c) Notwithstanding anything to the contrary herein, no Prepayment Premium shall be due and payable in connection with any prepayment or repayment in any of the following circumstances: (i) if the facility hereunder is refinanced with a credit facility, collateralized loan obligation transaction or other take-out for which SMBC is an arranger, bookrunner, administrative agent or lender, (ii) on or after November 24, 2023, (iii) if such prepayment or repayment is pursuant to Section 2.18(a), (iv) the Advances bear interest by reference to an index other than LIBOR or a Benchmark Replacement approved by the Borrower and the Administrative Agent, (v) any Lender makes a claim for increased costs or indemnification pursuant to Sections 2.10, 2.11, 8.01 or 8.02, or (vi) during the continuance of a Non-Approval Event.

SECTION 2.19 Extension of Stated Maturity Date and Reinvestment Period.

(a) The Borrower may, at any time after the first anniversary of the Closing Date, make a request to the Administrative Agent to extend the date set forth in clause (a) of the definition of "Reinvestment Period" for an additional period not to exceed one year (but not less than six months). Such date may be extended by up to one year by mutual agreement among the Administrative Agent, SMBC (so long as SMBC is the Collateral Agent, the Lender or the Replacement Servicer), the Borrower and the Servicer (any such extension, a "Reinvestment Period Extension"). Following the initial Reinvestment Period Extension, the Borrower may from time to time, at any time thereafter, make a request to the Administrative Agent to further extend the date set forth in clause (a) of the definition of "Reinvestment Period" (as revised by all prior Reinvestment Period Extensions) for an additional periods of up to one-year (but not less than six months) increments. Such date may be extended by up to one year (but not less than six months) upon the mutual agreement among the Administrative Agent, SMBC (so long as SMBC is the Collateral Agent, the Lender or the Replacement Servicer) for each such Reinvestment Period Extension, the Borrower and the Servicer. The Borrower confirms that SMBC (so long as SMBC is the Collateral Agent, the Lender or the Replacement Servicer) or the Administrative Agent, each in its sole and absolute discretion, without regard to the value or performance of the Loan Assets or any other factor, may elect not to extend the date set forth in clause (a) of the definition of "Reinvestment Period".

(b) From time to time, in connection with any Reinvestment Period Extension, the Borrower may make a request to the Administrative Agent to extend the date set forth in the definition of "Stated Maturity Date" for an additional period not to exceed one year (but not less than six months). The Stated Maturity Date may be extended by up to one year (but not less than six months) by mutual agreement among the Administrative Agent, SMBC (so long as SMBC is the Collateral Agent, the Lender or the Replacement Servicer), the Borrower and the Servicer (such extension, a "Stated Maturity Extension"). Following the initial Stated Maturity Extension, the Borrower may, in connection with any Reinvestment Period Extension, make a request for an

additional Stated Maturity Extension to the Administrative Agent. The Stated Maturity Date (as revised by each Stated Maturity Extension) may be extended by up to one year (but not less than six months) upon the mutual agreement among the Administrative Agent, SMBC (so long as SMBC is the Collateral Agent, the Lender or the Replacement Servicer), the Borrower and the Servicer, and the payment of the Borrower of the applicable Extension Fee. The Borrower confirms that SMBC (so long as SMBC is the Collateral Agent, the Lender or the Replacement Servicer) or the Administrative Agent, each in its sole and absolute discretion, without regard to the value or performance of the Loan Assets or any other factor, may elect not to extend the Stated Maturity Date.

SECTION 2.20 Collections and Allocations.

(a) The Account Bank with the assistance and cooperation of the Servicer shall promptly identify all Available Collections received in the Collection Account as being on account of Interest Collections or Principal Collections and shall segregate all Principal Collections and Interest Collections and transfer the same to the Principal Collection Account and the Interest Collection Account, respectively. On or prior to the Cut-Off Date with respect to any Loan Asset, the Borrower (or Servicer on Borrower's behalf) shall instruct the underlying administrative agents or paying agents on the underlying Loan Assets to deposit into the Collection Account all Available Collections for such Eligible Loan Assets being transferred to and included as part of the Collateral Portfolio on such Cut-Off Date; provided that, to the extent the Servicer inadvertently receives any Available Collections directly, the Servicer shall transfer, or cause to be transferred, any such collections received directly by it to the Collection Account by the close of business within two Business Days after such collections are received; provided further that the Servicer shall identify to the Administrative Agent, the Collateral Agent and the Account Bank any collections received directly by the Servicer as being on account of Interest Collections or Principal Collections. The Account Bank shall further provide to the Servicer, the Administrative Agent and the Collateral Agent a statement as to the amount of Principal Collections and Interest Collections on deposit in the Principal Collection Account and the Interest Collection Account, as well as the amount on deposit in the Unfunded Exposure Account, no later than three Business Days after each Determination Date.

(b) On the Cut-Off Date with respect to any Loan Asset, the Servicer will cause to be deposited (or instruct the underlying administrative agents or paying agents, as applicable, to deposit) into the Collection Account all Available Collections received in respect of Eligible Loan Assets being transferred to and included as part of the Collateral Portfolio on such date.

(c) With the prior written consent of the Administrative Agent (a copy of which will be provided by the Servicer to the Collateral Agent), the Servicer may withdraw from the Collection Account any deposits thereto constituting Excluded Amounts if the Servicer has, prior to such withdrawal and consent, delivered to the Administrative Agent a report setting forth the calculation of such Excluded Amounts.

(d) Prior to a Notice of Exclusive Control, the Servicer may, pursuant to written instruction (which may be in the form of standing instructions), or, if the Servicer fails to do so, the Administrative Agent may, direct the Account Bank to invest, or cause the investment of, funds on deposit in the Controlled Accounts in Permitted Investments (as designated by the Servicer),

from the date of this Agreement until the Collection Date. Absent any such written instruction, such funds shall not be invested. A Permitted Investment acquired with funds deposited in the Collection Account shall mature not later than the Business Day immediately preceding any Payment Date (unless such Permitted Investment is issued by U.S. Bank or one or more of its Affiliates in its capacity as a banking institution, in which case such Permitted Investment may mature on such Payment Date), and shall not be sold or disposed of prior to its maturity unless the Servicer determines there is a substantial risk of material deterioration of such Permitted Investment, in its commercially reasonable discretion. A Permitted Investment acquired with funds deposited in the Principal Collection Account, the Unfunded Exposure Account or the Pre-Funded Loan Asset Account shall mature not later than the next Business Day succeeding the day of investment, and shall not be sold or disposed of prior to its maturity unless the Servicer determines there is a substantial risk of material deterioration of such Permitted Investment, in its commercially reasonable discretion. All such Permitted Investments shall be held by the Account Bank subject to the Lien of the Collateral Agent for the benefit of the Secured Parties; provided that compliance shall be the responsibility of the Borrower and the Servicer and not the Collateral Agent and the Account Bank. All income and gain realized from any such investment, as well as any interest earned on deposits in any Controlled Account shall be distributed in accordance with the provisions of Article II. The Borrower (or the Servicer on its behalf) shall deposit in the Collection Account, the Pre-Funded Loan Asset Account or the Unfunded Exposure Account, as the case may be (with respect to investments made hereunder of funds held therein), an amount equal to the amount of any actual loss incurred, in respect of any such investment, immediately upon realization of such loss. None of the Account Bank, the Collateral Agent, the Administrative Agent or the Lender shall be liable for the amount of any loss incurred, in respect of any investment, or lack of investment, of funds held in any Controlled Account other than, in the case of the Account Bank, with respect to any loss that directly results from the Account Bank's failure to act as instructed by the Servicer or Borrower, which failure constitutes fraud, gross negligence or willful misconduct. The parties hereto acknowledge that the Account Bank, the Collateral Agent or any of their Affiliates may receive compensation with respect to the Permitted Investments.

(e) Until the Collection Date, neither the Borrower nor the Servicer shall have any rights of direction or withdrawal, with respect to amounts held in any Controlled Account, except to the extent explicitly set forth in Section 2.04 or Section 2.21.

SECTION 2.21 Reinvestment of Principal Collections.

On the terms and conditions hereinafter set forth as certified in writing to the Collateral Agent and Administrative Agent (with a copy to the Account Bank), the Servicer may, to the extent of any Principal Collections (other than Designated Sale Proceeds) on deposit in the Principal Collection Account:

(a) prior to the end of the Reinvestment Period, withdraw such funds for the purpose of reinvesting in additional Eligible Loan Assets to be acquired hereunder and to be included in the Collateral Portfolio; provided that the following conditions are satisfied:

(i) all conditions precedent set forth in Section 3.04 have been satisfied or waived;

The Borrower has not authorized the filing of and is not aware of any UCC financing statements against the Borrower that include a description of collateral covering the Collateral Portfolio other than any UCC financing statement that has been terminated and/or fully and validly assigned to the Collateral Agent on or prior to the Closing Date. The Borrower is not aware of the filing of any judgment or Tax lien filings (other than Permitted Liens) against the Borrower;

Neither the Borrower nor any Person claiming through or under Borrower shall have any claim to or interest in the Controlled Accounts and, nothing in this Agreement constitutes the grant of a security interest in such property, except for the interest referenced in this Section 4.02(a) and for the interest of the Borrower in such property as a debtor for purposes of the UCC.

(b) Eligibility of Collateral Portfolio. (i) The Loan Asset Schedule and the information contained in each Notice of Borrowing (including, but not limited to, Annex I to the Borrowing Base Certificate) is an accurate and complete listing of all the Loan Assets contained in the Collateral Portfolio as of the related Cut-Off Date or Advance Date and the information contained therein with respect to the identity of such item of Collateral Portfolio and the amounts owing thereunder is true and correct as of the related Cut-Off Date or Advance Date, (ii) each Loan Asset designated on any Borrowing Base Certificate as an Eligible Loan Asset and each Loan Asset included as an Eligible Loan Asset in any calculation of the Borrowing Base or any Borrowing Base Deficiency is an Eligible Loan Asset, and (iii) with respect to each item of Collateral Portfolio, all consents, licenses, approvals or authorizations of or registrations or declarations of any Governmental Authority or any Person required to be obtained, effected or given by the Borrower in order for the Borrower to grant a security interest in each item of Collateral Portfolio to the Collateral Agent, for the benefit of the Secured Parties, have been duly obtained, effected or given and are in full force and effect. For the avoidance of doubt, any inaccurate representation that a Warranty Loan Asset is an Eligible Loan Asset hereunder or under any other Transaction Document shall not constitute an Event of Default solely on the basis of such inaccurate representation if the Borrower complies with Section 2.07(e) hereunder with respect thereto.

(c) No Fraud. To the best of the Borrower's knowledge, each Loan Asset was originated or acquired without any fraud or material misrepresentation by the relevant seller or on the part of the Obligor.

The Lender and the Administrative Agent hereby appoint Nuveen Churchill Direct Lending Corp., pursuant to the terms and conditions of this Agreement, as Servicer, with the authority to service, administer and exercise rights and remedies, on behalf of the Borrower, in respect of the Collateral Portfolio. Until the Administrative Agent gives Nuveen Churchill Direct Lending Corp. a Servicer Termination Notice in accordance with the terms of this Agreement, Nuveen Churchill Direct Lending Corp. hereby accepts such appointment and agrees to perform the duties and responsibilities of the Servicer pursuant to the terms hereof. The Servicer and the Borrower hereby acknowledge that the Administrative Agent and the Secured Parties are third party beneficiaries of the obligations undertaken by the Servicer hereunder.

(b) Servicer Termination Notice. The Borrower, the Servicer, the Lender and the Administrative Agent hereby agree that, after the occurrence and during the continuance of a Servicer Default, the Administrative Agent, by immediate written notice to the Servicer (with a copy to the Collateral Agent) (a "Servicer Termination Notice"), may terminate all of the rights, obligations, power and authority of the Servicer under this Agreement other than with respect to the rights of the Servicer under Section 7.02(h). On and after the receipt by the Servicer of a Servicer Termination Notice pursuant to this Section 6.01(b), the Servicer shall continue to perform all servicing functions under this Agreement until the date specified in the Servicer Termination Notice or otherwise specified by the Administrative Agent in writing or, if no such date is specified in such Servicer Termination Notice or otherwise specified by the Administrative Agent, until a date mutually agreed upon by the Servicer and the Administrative Agent and shall be entitled to receive, to the extent of funds available therefor pursuant to Section 2.04, the Servicing Fees therefor accrued until such date. the Replacement Servicer shall assume each and all of the Servicer's obligations to service and administer the Collateral Portfolio, on the terms and subject to the conditions herein set forth, and the Servicer shall use its commercially reasonable efforts to assist the Replacement Servicer in assuming such obligations.

(c) Appointment of Replacement Servicer. At any time following the delivery of a Servicer Termination Notice, the Administrative Agent may, at its discretion, with notice to the Borrower appoint a new Servicer which shall be an Eligible Replacement (as defined below) (the "Replacement Servicer"), which appointment shall take effect upon the Replacement Servicer accepting such appointment by a written assumption in a form satisfactory to the Administrative Agent in its sole discretion. In the event a Replacement Servicer has not accepted its appointment at the time when the Servicer ceases to act as Servicer, the Administrative Agent shall petition a court of competent jurisdiction to appoint any established financial institution, having a net worth of not less than \$50,000,000 and whose regular business includes the servicing of assets similar to the Collateral Portfolio (each, an "Eligible Replacement"), as the Replacement Servicer hereunder. Subject to Section 11.07, the Servicer shall pay all costs associated with the transition of the obligations hereunder to an Replacement Servicer if the Administrative Agent terminates the Servicer following a Servicer Default.

(d) Liabilities and Obligations of Replacement Servicer. Upon its appointment, the Replacement Servicer, as applicable, shall be the successor in all respects to the Servicer with respect to servicing functions under this Agreement and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof, and all references in this Agreement to the Servicer shall be deemed to refer to the Replacement Servicer; provided that the Replacement Servicer shall have (i) no liability with respect to any action performed by the terminated Servicer prior to the date that the Replacement Servicer becomes the successor to the Servicer or any claim of a third party based on any alleged action or inaction of the terminated Servicer, (ii) no obligation to perform any advancing obligations, if any, of the Servicer unless it elects to in its sole discretion, (iii) no obligation to pay any Taxes required to be paid by the Servicer (provided that the Replacement Servicer shall pay any income taxes for which it is liable), (iv) no obligation to pay any of the fees and expenses of any other party to the transactions contemplated hereby, and (v) no liability or obligation with respect to any Servicer indemnification obligations of any prior Servicer, including the original Servicer. The indemnification obligations of the Replacement Servicer upon becoming a Replacement Servicer, are expressly limited to those arising on account of its failure to act in good faith and with reasonable care under the circumstances. In addition, the Replacement Servicer shall have no liability relating to the representations and warranties of the Servicer contained in Section 4.03.

All authority and power granted to the Servicer under this Agreement shall automatically cease and terminate upon termination of this Agreement and shall pass to and be vested in the Borrower and, without limitation, the Borrower is hereby authorized and empowered to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, all documents and other instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights. (xvi) instructing the Account Bank to make payments pursuant to the terms of the Servicing Report or as otherwise directed in accordance with Sections 2.04 or 2.05.

It is acknowledged and agreed that in circumstances in which a Person other than the Borrower or the Servicer acts as lead agent with respect to any Loan Asset, the Servicer shall perform its servicing duties hereunder only to the extent a lender under the related loan syndication Loan Agreements has the right to do so. Notwithstanding anything to the contrary contained herein, it is acknowledged and agreed that the performance by the Servicer of its duties hereunder shall be limited insofar as such performance would conflict with or result in a breach of any of the express terms of the related Loan Agreements; provided that the Servicer shall (a) provide prompt written notice to the Administrative Agent upon becoming aware of such conflict or breach, (b) have determined that there is no other commercially reasonable performance that it could render consistent with the express terms of the Loan Agreements which would result in all or a portion of the servicing duties being performed in accordance with this Agreement, and (c) undertake all commercially reasonable efforts to mitigate the effects of such non-performance including performing as much of the servicing duties as possible and performing such other commercially reasonable and/or similar duties consistent with the terms of the Loan Agreements.

(b) Notwithstanding anything to the contrary contained herein, the exercise by the Administrative Agent, the Collateral Agent, the Lender and the Secured Parties of their rights hereunder shall not release the Servicer or the Borrower from any of their duties or responsibilities with respect to the Collateral Portfolio. The Secured Parties, the Administrative Agent, the Lender and the Collateral Agent shall not have any obligation or liability with respect to any Collateral Portfolio, nor shall any of them be obligated to perform any of the obligations of the Servicer hereunder.

(c) Any payment by an Obligor in respect of any Indebtedness owed by it to the Borrower shall, except as otherwise specified by such Obligor or otherwise required by contract or law, be applied in accordance with the Servicing Standard.

(a) Each of the Borrower, the Administrative Agent and the Lender hereby authorizes the Servicer (including any successor thereto) to take any and all reasonable steps in its name and on its behalf necessary or desirable in the determination of the Servicer, to collect all amounts due under any and all Collateral Portfolio, including without limitation endorsing any of their names on checks and other instruments representing Interest Collections and Principal Collections, executing and delivering any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, and all other comparable instruments, with respect to the Collateral Portfolio and, after the delinquency of any Loan Asset in the Collateral Portfolio and to the extent permitted under and in compliance with Applicable Law, to commence proceedings with respect to enforcing payment thereof, to the same extent as the seller of such Loan Asset could have done if it had continued to own such Collateral Portfolio. The Borrower and the Collateral Agent on behalf of the Secured Parties shall furnish the Servicer (and any successors thereto) with any powers of attorney and other documents necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder, and shall cooperate with the Servicer to the fullest extent in order to ensure the collectability of the Loan Asset. In no event shall the Servicer be entitled to make the Secured Parties, the Administrative Agent, the Collateral Agent or the Lender a party to any litigation without such party's express prior written consent, or to make the Borrower a party to any litigation (other than any routine foreclosure or similar collection procedure) without the Administrative Agent's consent.

(b) After the occurrence or declaration of the Facility Maturity Date but prior to the occurrence of the Collection Date, at the direction of the Administrative Agent, the Servicer shall take such action as the Administrative Agent may deem necessary or advisable to enforce collection of the Collateral Portfolio; provided that the Administrative Agent may, at any time after the occurrence and during the continuance of an Event of Default, notify any Obligor with respect to any Collateral Portfolio of the assignment of such Collateral Portfolio to the Collateral Agent on behalf of the Secured Parties and direct that payments of all amounts due or to become due be made directly to the Administrative Agent or any servicer, collection agent or account designated by the Administrative Agent and, upon such notification and at the expense of the Borrower, the Administrative Agent may enforce collection of any such Collateral Portfolio, and adjust, settle or compromise the amount or payment thereof.

SECTION 6.04 Collection of Payments; Accounts.

The Servicer will use its commercially reasonable efforts and judgment to collect or cause to be collected, all payments called for under the terms and provisions of the Loan Assets included in the Collateral Portfolio as and when the same become due, all in accordance with the Servicing Standard. The Servicer may not waive, modify or otherwise vary any provision of an item of Collateral Portfolio in any manner contrary to the Servicing Standard; provided that, on and after the occurrence and during the continuance of an Event of Default, the prior written consent of the Administrative Agent shall be required for any waiver, modification or variance that would impair the collectability of the Collateral Portfolio. In addition, after the occurrence and during the continuance of an Event of Default, neither the Borrower nor the Servicer shall, without the prior written consent of the Administrative Agent, agree to waive, modify or otherwise vary any provision of a Loan Agreement related to a Loan Asset in the Collateral Portfolio if such waiver, modification or variation would increase the Borrower's commitment or outstanding loans

thereunder or extend the maturity of any outstanding or committed loans of the Borrower thereunder beyond the Stated Maturity Date.

(b) Acceleration. If consistent with the Servicing Standard, the Servicer shall accelerate or vote to accelerate, as applicable, the maturity of all or any Scheduled Payments and other amounts due under any Loan Asset promptly after such Loan Asset becomes a Defaulted Loan Asset.

The Servicer will use its best efforts to collect all payments with respect to amounts due for Taxes, assessments and insurance premiums relating to each Loan Asset to the extent required to be paid to the Borrower for such application under the applicable Loan Agreement and remit such amounts to the appropriate Governmental Authority or insurer as required by such Loan Agreement.

(d) Payments to Collection Account. If the Borrower or the Servicer receive any payments in respect of the Collateral Portfolio other than directly into the Collection Account, the Servicer on behalf of the Borrower shall cause such payment to be transferred or deposited into the Collection Account, as required by any Transaction Documents, within two (2) Business Days from the date on which Servicer receives notice of such payment.

(e) Controlled Accounts. Each of the parties hereto hereby agrees that (i) each Controlled Account is intended to be a "securities account" or "deposit account" within the meaning of the UCC and of the Hague Securities Convention and (ii) except as otherwise expressly provided herein and in the Control Agreement prior to the delivery of a Notice of Exclusive Control, the Borrower and the Servicer shall be entitled to exercise the rights that comprise each Financial Asset held in each Controlled Account which is a securities account and have the right to direct the disposition of funds in any Controlled Account which is a deposit account; provided that after the delivery of a Notice of Exclusive Control, such rights shall be exclusively held by the Collateral Agent (acting at the direction of the Administrative Agent). Each of the parties hereto hereby agrees to cause the securities intermediary that holds any money or other property for the Borrower in a Controlled Account that is a securities account to agree with the parties hereto that (A) the cash and other property (subject to Section 6.04(f) below with respect to any property other than investment property, as defined in Section 9-102(a)(49) of the UCC) is to be treated as a Financial Asset under Article 8 of the UCC and (B) regardless of any provision in any other agreement, for purposes of the UCC, with respect to the Controlled Accounts, New York shall be deemed to be the Account Bank's jurisdiction (within the meaning of Section 9-304 of the UCC) and the securities intermediary's jurisdiction (within the meaning of Section 8-110 of the UCC). All securities or other property underlying any Financial Assets credited to the Controlled Accounts in the form of securities or instruments shall be registered in the name of the Account Bank or if in the name of the Borrower or the Collateral Agent, Indorsed to the Account Bank, Indorsed in blank, or credited to another securities account maintained in the name of the Account Bank, and in no case will any Financial Asset credited to the Controlled Accounts be registered in the name of the Borrower, payable to the order of the Borrower or specially Indorsed to the Borrower, except to the extent the foregoing have been specially Indorsed to the Account Bank or Indorsed in blank.

(f) Loan Agreements. Notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a “securities intermediary” as defined in the UCC) to the contrary, none of the Collateral Agent, the Collateral Custodian, the Collateral Administrator, the Account Bank or any securities intermediary shall be under any duty or obligation in connection with the acquisition by the Borrower, or the grant by the Borrower to the Collateral Agent, of any Loan Asset in the nature of a loan or a participation in a loan to examine or evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Borrower under the related Loan Agreements, or otherwise to examine the Loan Agreements, in order to determine or compel compliance with any applicable requirements of or restrictions on transfer (including without limitation any necessary consents). The Collateral Custodian shall hold any Instrument delivered to it which evidences any Loan Asset acquired by the Borrower as collateral custodian for the Collateral Agent in accordance with the terms of the Control Agreement.

(g) Adjustments. If (i) the Servicer makes a deposit into the Collection Account in respect of an Interest Collection or a Principal Collection of a Loan Asset and such Interest Collection or Principal Collection was received by the Servicer in the form of a check that is not honored for any reason or (ii) the Servicer makes a mistake with respect to the amount of any Interest Collection or Principal Collection and deposits an amount that is less than or more than the actual amount of such Interest Collection or Principal Collection, the Servicer shall appropriately adjust the amount subsequently deposited into the Collection Account to reflect such dishonored check or mistake and promptly notify the Administrative Agent and the Collateral Agent of such adjustment. Any Scheduled Payment in respect of which a dishonored check is received shall be deemed not to have been paid.

SECTION 6.05 Realization Upon Loan Assets. The Servicer may, in its discretion consistent with the Servicing Standard, foreclose upon or repossess, as applicable, or otherwise comparably convert the ownership of any Underlying Collateral relating to a Defaulted Loan Asset as to which no satisfactory arrangements can be made for collection of delinquent payments. In addition, the Servicer may, consistent with the Servicing Standard, sell or otherwise transfer, or if it deems advisable to maximize recoveries, hold or cause the Borrower to hold any Defaulted Loan Asset, equity security or other security (so long as such equity security or other security was received in lieu or otherwise on account of debt previously contracted with respect to a Loan Asset) received by the Borrower in connection with a default, workout, restructuring or plan of reorganization or similar event under a Loan Asset. The Servicer will comply with the Servicing Standard and Applicable Law in realizing upon such Underlying Collateral, and employ practices and procedures, including without limitation reasonable efforts consistent with the Servicing Standard, (x) to enforce all obligations of the Obligors under the Loan Agreements and other legal documentation related to such Defaulted Loan Asset and (y) to foreclose upon, repossess and cause the sale of such Underlying Collateral at public or private sales other than with respect to any Defaulted Loan Asset, equity or other securities that the Servicer may hold as described in the preceding sentence of this Section 6.05. Without limiting the generality of the foregoing, the Servicer may cause the sale of any such Underlying Collateral to the Servicer or its Affiliates for a purchase price equal to the then fair market value thereof, any such sale to be evidenced by a certificate of a Responsible Officer of the Servicer delivered to the Administrative Agent setting forth the Loan Asset, the Underlying Collateral, the sale price of the Underlying Collateral and certifying that such sale price is at least equal to the fair market value of such Underlying

(b) The parties recognize that it may not be possible to sell all of the Collateral Portfolio on a particular Business Day, or in a transaction with the same purchaser, or in the same manner because the market for the assets constituting the Collateral Portfolio may not be liquid. Accordingly, the Administrative Agent may elect, in its sole discretion, the time and manner of liquidating any of the Collateral Portfolio, and nothing contained herein shall obligate the Administrative Agent to liquidate any of the Collateral Portfolio on the date the Administrative Agent declares the Advances made to the Borrower hereunder to be immediately due and payable pursuant to Section 7.01 or to liquidate all of the Collateral Portfolio in the same manner or on the same Business Day.

(c) If the Collateral Agent (acting as directed by the Administrative Agent) or the Administrative Agent proposes to sell the Collateral Portfolio or any part thereof in one or more parcels at a public or private sale, at the request of the Collateral Agent or the Administrative Agent, as applicable, the Borrower and the Servicer shall make available to (i) the Administrative Agent, on a timely basis, all information (including any information that the Borrower and the Servicer is required by law or contract to keep confidential to the extent such information can be provided without violation of such laws or contracts, including through entering into any confidentiality agreements in forms acceptable to the Collateral Agent or the Administrative Agent, as applicable, to the extent required to prevent violation of such laws or contracts) relating to the Collateral Portfolio subject to sale, including without limitation copies of any disclosure documents, contracts, financial statements of the applicable Obligors, covenant certificates and any other materials requested by the Administrative Agent, and (ii) each prospective bidder, on a timely basis, all reasonable information relating to the Collateral Portfolio subject to sale, including without limitation copies of any disclosure documents, contracts, financial statements of the

applicable Obligors, covenant certificates and any other materials reasonably requested by each such bidder; provided that with respect to this clause (ii), neither the Borrower nor the Servicer shall be required to disclose to each such bidder any information which it is required by law or contract to keep confidential.

(d) Each of the Borrower and the Servicer agrees, to the full extent that it may lawfully so agree, that neither it nor anyone claiming through or under it will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption law now or hereafter in force in any locality where any part of the Collateral Portfolio may be situated in order to prevent, hinder or delay the enforcement or foreclosure of this Agreement, or the absolute sale of any of the Collateral Portfolio or any part thereof, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and each of the Borrower and the Servicer, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may be lawful so to do, the benefit of all such laws, and any and all right to have any of the properties or assets constituting the Collateral Portfolio marshaled upon any such sale, and agrees that the Collateral Agent, or the Administrative Agent on its behalf, or any court having jurisdiction to foreclose the security interests granted pursuant to this Agreement may sell the Collateral Portfolio as an entirety or in such parcels as the Collateral Agent (acting at the direction of the Administrative Agent) or such court may determine.

(e) Any amounts received from any sale or liquidation of the Collateral Portfolio pursuant to this Section 7.02 in excess of the Obligations will be applied by the Account Bank (as directed by the Collateral Agent or the Administrative Agent) in accordance with the provisions of Section 2.04(d), or as a court of competent jurisdiction may otherwise direct.

(f) The Administrative Agent and the Lender shall have, in addition to all the rights and remedies provided herein and provided by applicable federal, state, foreign, and local laws (including without limitation the rights and remedies of a secured party under the UCC of any applicable state, to the extent that the UCC is applicable, and the right to offset any mutual debt and claim), all rights and remedies available to the Lender at law, in equity or under any other agreement between the Lender and the Borrower.

(g) Except as otherwise expressly provided in this Agreement, no remedy provided for by this Agreement shall be exclusive of any other remedy, each and every remedy shall be cumulative and in addition to any other remedy, and no delay or omission to exercise any right or remedy shall impair any such right or remedy or shall be deemed to be a waiver of any Event of Default.

(h) Each of the Borrower and the Servicer hereby irrevocably appoints each of the Collateral Agent and the Administrative Agent its true and lawful attorney (with full power of substitution) in its name, place and stead and at its expense, in connection with the enforcement of the rights and remedies, as provided for in this Agreement, including without limitation the following powers: (a) to give any necessary receipts or acquittance for amounts collected or received hereunder, (b) to make all necessary transfers of the Collateral Portfolio in connection with any such sale or other disposition made pursuant hereto, (c) to execute and deliver for value all necessary or appropriate bills of sale, assignments and other instruments in connection with any such sale or other disposition, the Borrower and the Servicer hereby ratifying and confirming all

that such attorney (or any substitute) shall lawfully do hereunder and pursuant hereto, and (d) to sign any agreements, orders or other documents in connection with or pursuant to any Transaction Document. Nevertheless, if so requested by the Collateral Agent or the Administrative Agent, the Borrower or the Servicer, as applicable, shall ratify and confirm any such sale or other disposition by executing and delivering to the Collateral Agent or the Administrative Agent all proper bills of sale, assignments, releases and other instruments as may be designated in any such request; provided that, for the avoidance of doubt, no right under any power of attorney furnished under this Section 7.02(h) may be exercised until after the occurrence and during the continuance of an Event of Default.

(i) (1) If the Collateral Agent (acting as directed by the Administrative Agent) or the Administrative Agent elects to sell the Collateral Portfolio in whole, but not in part, at a public or private sale, the Collateral Agent shall use commercially reasonable efforts to keep the Borrower reasonably apprised of material developments in any such sale process (including the submission of Eligible Bids), and the Borrower may exercise its buyout right to repurchase the Collateral Portfolio, in whole but not in part, prior to such sale at a purchase price that is not less than the amount of the Obligations as of the date of such proposed sale. The Borrower's buyout right shall terminate not later than 4:00 p.m. (New York City time) on the second Business Day following the Business Day on which the Borrower receives notice of the Collateral Agent's or the Administrative Agent's election to sell such Collateral Portfolio, such notice to attach a copy of the winning Eligible Bid received by the Collateral Agent or the Administrative Agent in respect of such Collateral Portfolio (other than any such Eligible Bid that the Collateral Agent or the Administrative Agent is required by law to keep confidential).

(2) If the Collateral Agent (acting as directed by the Administrative Agent) or the Administrative Agent elects to sell less than all of the Collateral Portfolio in one or more parcels at a public or private sale, the Borrower may (x) exercise its buyout right to repurchase the Collateral Portfolio, in whole but not in part, prior to such sale at a purchase price that is not less than the amount of the Obligations as of the date of such proposed sale or (y) exercise its right of first refusal to repurchase such portion of the Collateral Portfolio prior to such sale at a purchase price of not less than the highest Eligible Bid received in respect of such portion of the Collateral Portfolio as of the date of such proposed sale, as notified by the Collateral Agent or the Administrative Agent to the Borrower; provided that the Administrative Agent may direct the Collateral Agent to cancel such sale and the Borrower shall not be permitted to acquire any such portion of the Collateral Portfolio in accordance with the foregoing to the extent SMBC (so long as SMBC is the Administrative Agent, Collateral Agent, the Lender or the Replacement Servicer), in its sole discretion, determines that such highest Eligible Bid is not satisfactory in any respect; provided further that, in any subsequent sale of such portion of the Collateral Portfolio, the Borrower may exercise its right of first refusal to repurchase such portion of the Collateral Portfolio pursuant to this Section 7.02(i). The Borrower's right of first refusal shall terminate not later than 4:00 p.m. (New York City time) on the second Business Day following the date on which the Borrower receives notice of the Collateral Agent's or the Administrative Agent's election to sell such portion of the Collateral Portfolio, such notice to attach a copy of the winning Eligible Bid received by the Collateral Agent or the Administrative Agent in respect of such Collateral Portfolio (other than any such Eligible Bid that the Collateral Agent or the Administrative Agent is required by law

to keep confidential), if such notice is delivered by 4:00 p.m. (New York City time) on such Business Day; provided that, if such notice is delivered after 4:00 p.m. (New York City time) on the Business Day on which the Borrower receives such notice, or if the highest Eligible Bid received in respect of such portion of the Collateral Portfolio is greater than \$25,000,000, the Borrower's right of first refusal shall terminate not later than 4:00 p.m. (New York City time) on the second Business Day following such date.

(3) If the Borrower elects not to exercise its buyout right as provided in clauses (1) or (2) above, the Collateral Agent (acting as directed by the Administrative Agent) or the Administrative Agent shall sell such Collateral Portfolio or portion thereof for a purchase price equal to the highest of the Eligible Bids then received provided that SMBC (so long as SMBC is the Administrative Agent, Collateral Agent, the Lender or the Replacement Servicer) may direct the Collateral Agent to cancel such sale to the extent SMBC (so long as SMBC is the Administrative Agent, Collateral Agent, the Lender or the Replacement Servicer), in its sole discretion, determines that such highest Eligible Bid is not satisfactory in any respect. For the avoidance of doubt, any determination of the highest Eligible Bid shall only consider bids for the same parcels of the Collateral Portfolio.

(4) It is understood that the Borrower may submit its bid for the Collateral Portfolio or any portion thereof as a combined bid with the bids of other members of a group of bidders, and shall have the right to find bidders to bid on the Collateral Portfolio or any portion thereof.

(5) It is understood that the Borrower's buyout right shall apply to each proposed sale of the same parcel of the Collateral Portfolio.

(vii) any dispute, claim, offset or defense (other than the discharge in bankruptcy of an Obligor) to the payment of any Loan Asset included in the Collateral Portfolio (including, without limitation, a defense based on such Loan Asset (or the Loan

(xi) any products liability claim or personal injury or property damage suit or other similar or related claim or action of whatever sort arising out of or in connection with the Underlying Collateral or services that are the subject of any Collateral Portfolio;

(xvi) any failure by the Borrower to give reasonably equivalent value to the seller thereof in consideration for the transfer to the Borrower of any item of Collateral

(b) Any amounts subject to the indemnification provisions of this Section 8.01 shall be paid by the Borrower to the Administrative Agent on behalf of the applicable Indemnified Party within five Business Days following receipt by the Borrower of the Administrative Agent's written demand therefor on behalf of the applicable Indemnified Party (and the Administrative Agent shall pay such amounts to the applicable Indemnified Party promptly after the receipt by the Administrative Agent of such amounts). The Administrative Agent, on behalf of any Indemnified Party making a request for indemnification under this Section 8.01, shall submit to the Borrower a certificate setting forth in reasonable detail the basis for and the computations of the Indemnified Amounts with respect to which such indemnification is requested, which certificate shall be conclusive absent demonstrable error.

(c) If for any reason the indemnification provided above in this Section 8.01 is unavailable to the Indemnified Party or is insufficient to hold an Indemnified Party harmless in respect of any losses, claims, damages or liabilities, then the Borrower shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect not only the relative benefits received by such Indemnified Party on the one hand and the Borrower on the other hand but also the relative fault of such Indemnified Party as well as any other relevant equitable considerations; provided that, the Borrower shall not be required to contribute in respect of any Indemnified Amounts excluded in Section 8.01(a).

(d) If the Borrower has made any payments in respect of Indemnified Amounts to the Administrative Agent on behalf of an Indemnified Party pursuant to this Section 8.01 and such Indemnified Party thereafter collects any of such amounts from others, such Indemnified Party will promptly repay such amounts collected to the Borrower in an amount equal to the amount it has collected from others in respect of such Indemnified Amounts, without interest.

(e) The obligations of the Borrower under this Section 8.01 shall survive the resignation or removal of or assignment by the Administrative Agent, each Lender, the Servicer, the Collateral Agent, the Collateral Custodian, the Collateral Administrator or the Account Bank and the termination of this Agreement.

SECTION 8.02 Indemnities by Servicer.

(a) Without limiting any other rights which any Indemnified Party may have hereunder or under Applicable Law, the Servicer hereby agrees to indemnify and hold harmless each Indemnified Party from and against any and all Indemnified Amounts, awarded against or incurred by any Indemnified Party (whether brought by the Servicer or any other Person) as a consequence of any of the following (excluding, however, Indemnified Amounts to the extent resulting from gross negligence or willful misconduct on the part of any Indemnified Party (as determined by a court of competent jurisdiction in a final and non-appealable judgment) claiming indemnification hereunder):

(i) the reliance on any representation or warranty made or deemed made by the Servicer or any of its officers under or in connection with this Agreement or any other Transaction Document, any Servicing Report, any Servicer's Certificate or any other information or report delivered by or on behalf of the Servicer pursuant hereto, which shall have been false, incorrect or misleading in any material respect (or in all respects if already qualified by materiality) when made or deemed made or delivered;

(ii) the failure by the Servicer to comply with (A) any material term, provision or covenant contained in this Agreement or any other Transaction Document, or any other agreement executed in connection with this Agreement, or (B) any Applicable Law applicable to it with respect to any Portfolio Assets;

(iii) the failure by the Servicer to perform any of its duties or obligations in accordance with the provisions of this Agreement or any other Transaction Document or errors or omissions related to such duties; and/or

(iv) any gross negligence, willful misconduct or bad faith on the part of the Servicer.

(b) Any amounts subject to the indemnification provisions of this Section 8.02 shall be paid by the Servicer to the Administrative Agent on behalf of the applicable Indemnified Party within five Business Days following receipt by the Servicer of the Administrative Agent's written demand therefor on behalf of the applicable Indemnified Party (and the Administrative Agent shall pay such amounts to the applicable Indemnified Party promptly after the receipt by the Administrative Agent of such amounts). The Administrative Agent, on behalf of any Indemnified Party making a request for indemnification under this Section 8.02, shall submit to the Servicer a certificate setting forth in reasonable detail the basis for and the computations of the Indemnified Amounts with respect to which such indemnification is requested, which certificate shall be conclusive absent demonstrable error.

(c) If for any reason the indemnification provided above in this Section 8.02 is unavailable to the Indemnified Party or is insufficient to hold an Indemnified Party harmless in

respect of any losses, claims, damages or liabilities, then the Servicer shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect not only the relative benefits received by such Indemnified Party on the one hand and the Servicer on the other hand but also the relative fault of such Indemnified Party as well as any other relevant equitable considerations.

(d) If the Servicer has made any payments in respect of Indemnified Amounts to the Administrative Agent on behalf of an Indemnified Party pursuant to this Section 8.02 and such Indemnified Party thereafter collects any of such amounts from others, such Indemnified Party will promptly repay such amounts collected to the Servicer in an amount equal to the amount it has collected from others in respect of such Indemnified Amounts, without interest.

(e) The Servicer shall have no liability for making indemnification hereunder to the extent any such indemnification results from the performance of the Collateral Portfolio (including, without limitation, any change in the market value of the Collateral Portfolio), or constitutes recourse for uncollectible or uncollected Loan Assets.

(f) The obligations of the Servicer under this Section 8.02 shall survive the resignation or removal of the Administrative Agent, the Collateral Agent, any Lender, the Collateral Administrator, the Account Bank or the Collateral Custodian and the termination of this Agreement.

(g) Any indemnification pursuant to this Section 8.02 shall not be payable from the Collateral Portfolio.

Each applicable Indemnified Party shall deliver to the Indemnifying Party under Section 8.01 and Section 8.02, within a reasonable time after such Indemnified Party's receipt thereof, copies of all notices and documents (including court papers) received (if any) by such Indemnified Party relating to the claim giving rise to the Indemnified Amounts.

SECTION 8.03 Legal Proceedings. In the event an Indemnified Party becomes involved in any action, claim, or legal, governmental or administrative proceeding (an "Action") for which it seeks indemnification hereunder, the Indemnified Party shall promptly notify the other party or parties against whom it seeks indemnification (the "Indemnifying Party") in writing of the nature and particulars of the Action; provided that its failure to do so shall not relieve the Indemnifying Party of its obligations hereunder except to the extent such failure has a material adverse effect on the Indemnifying Party. Upon written notice to the Indemnified Party acknowledging in writing that the indemnification provided hereunder applies to the Indemnified Party in connection with the Action (subject to the exclusion in the first sentence of Section 8.01, the first sentence of Section 8.02 or Section 8.02(e), as applicable), the Indemnifying Party may assume the defense of the Action at its expense with counsel reasonably acceptable to the Indemnified Party. The Indemnified Party shall have the right to retain separate counsel in connection with the Action, and the Indemnifying Party shall not be liable for the legal fees and expenses of the Indemnified Party after the Indemnified Party has done so; provided that if the Indemnified Party determines in good faith that there may be a conflict between the positions of the Indemnified Party and the Indemnifying Party in connection with the Action, or that the Indemnifying Party is not conducting the defense of the Action in a manner reasonably protective

of the interests of the Indemnified Party, the reasonable legal fees and expenses of the Indemnified Party shall be paid by the Indemnifying Party; provided further that the Indemnifying Party shall not, in connection with any one Action or separate but substantially similar or related Actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees or expenses of more than one separate firm of attorneys (and any required local counsel) for such Indemnified Party, which firm (and local counsel, if any) shall be designated in writing to the Indemnifying Party by the Indemnified Party. If the Indemnifying Party elects to assume the defense of the Action, it shall have full control over the conduct of such defense; provided that the Indemnifying Party and its counsel shall, as reasonably requested by the Indemnified Party or its counsel, consult with and keep them informed with respect to the conduct of such defense. The Indemnifying Party shall not settle an Action without the prior written approval of the Indemnified Party unless such settlement provides for the full and unconditional release of the Indemnified Party from all liability in connection with the Action. The Indemnified Party shall reasonably cooperate with the Indemnifying Party in connection with the defense of the Action. Notwithstanding anything to contrary above, the Indemnifying Party shall not, without the prior written consent of the Indemnified Party (in its sole and absolute discretion), be entitled to assume the defense or designate counsel for an Action which seeks to impose liability on such Indemnified Party in its individual or corporate capacity.

ARTICLE IX

THE ADMINISTRATIVE AGENT

SECTION 9.01 The Administrative Agent.

(a) Appointment. The Lender and each Secured Party hereby appoints and authorizes the Administrative Agent as its agent hereunder and hereby further authorizes the Administrative Agent to appoint additional agents to act on its behalf and for the benefit of the Lender and each Secured Party. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Transaction Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth in this Agreement, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with the Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Transaction Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Power of Attorney. The Borrower irrevocably authorizes the Administrative Agent and appoints the Administrative Agent as its attorney-in-fact to act on behalf of the Borrower (i) to file UCC financing statements necessary or desirable in the Administrative Agent's sole discretion to perfect and to maintain the perfection and priority of the interest of the Secured Parties in the Collateral Portfolio and (ii) to file a carbon, photographic or other reproduction of this Agreement or any UCC financing statement with respect to the Collateral

Portfolio as a UCC financing statement in such offices as the Administrative Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the interests of the Secured Parties in the Collateral Portfolio. This appointment is coupled with an interest and is irrevocable.

(c) Performance by Administrative Agent. If the Borrower or the Servicer, as applicable, fails to perform any of its agreements or obligations under Section 5.01(u) or Section 5.02(o) or Section 5.03(e), the Administrative Agent may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the expenses of the Administrative Agent incurred in connection therewith shall be payable by the Borrower or the Servicer (on behalf of the Borrower), as applicable, upon the Administrative Agent's demand therefor.

(d) Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Transaction Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects with reasonable care.

(e) Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as Administrative Agent under or in connection with this Agreement or any of the other Transaction Documents, except for its or their own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and non-appealable judgment. Each Lender and each Secured Party hereby waives any and all claims against the Administrative Agent or any of its Affiliates for any action taken or omitted to be taken by the Administrative Agent or any of its Affiliates under or in connection with this Agreement or any of the other Transaction Documents, except for its or their own gross negligence or willful misconduct. Without limiting the foregoing, the Administrative Agent: (i) may consult with legal counsel (including counsel for the Borrower or Equityholder), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (ii) makes no warranty or representation and shall not be responsible for any statements, warranties or representations made in or in connection with this Agreement; (iii) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or any of the other Transaction Documents on the part of the Borrower, Equityholder or the Servicer or to inspect the property (including the books and records, including without limitation the Records) of the Borrower, Equityholder or the Servicer; (iv) shall not be responsible for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any of the other Transaction Documents or any other instrument or document furnished pursuant hereto or thereto; and (v) shall incur no liability under or in respect of this Agreement or any of the other Transaction Documents by acting upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

(f) Actions by Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Transaction

Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lender against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Transaction Document in accordance with a request or consent of the Required Lenders; provided that, notwithstanding anything to the contrary herein, the Administrative Agent shall not be required to take any action hereunder if the taking of such action, in the reasonable determination of the Administrative Agent, shall be in violation of any Applicable Law or contrary to any provision of this Agreement or shall expose the Administrative Agent to liability hereunder or otherwise. In the event the Administrative Agent requests the consent of a Lender pursuant to the foregoing provisions and the Administrative Agent does not receive a consent (either positive or negative) from such Person within ten Business Days of such Person's receipt of such request, then such Lender shall be deemed to have consented to the relevant action.

(g) Notice of Event of Default, Unmatured Event of Default or Servicer Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of an Event of Default, Unmatured Event of Default or Servicer Default, unless the Administrative Agent has received written notice from the Lender, the Borrower or the Servicer referring to this Agreement, describing such Event of Default, Unmatured Event of Default or Servicer Default and stating that such notice is a "Notice of Event of Default," "Notice of Unmatured Event of Default" or "Notice of Servicer Default," as applicable.

(h) Credit Decision with Respect to the Administrative Agent. The Lender and each Secured Party acknowledges that none of the Administrative Agent or any of its Affiliates has made any representation or warranty to it, and that no act by the Administrative Agent hereinafter taken, including any consent to and acceptance of any assignment or review of the affairs of the Borrower, the Servicer, Equityholder or any of their respective Affiliates or review or approval of any of the Collateral Portfolio, shall be deemed to constitute any representation or warranty by any of the Administrative Agent or its Affiliates to the Lender as to any matter, including whether the Administrative Agent has disclosed material information in its possession. The Lender and each Secured Party acknowledges that it has, independently and without reliance upon the Administrative Agent, or any of the Administrative Agent's Affiliates, and based upon such documents and information as it has deemed appropriate, made its own evaluation and decision to enter into this Agreement and the other Transaction Documents to which it is a party. The Lender and each Secured Party also acknowledges that it will, independently and without reliance upon the Administrative Agent, or any of the Administrative Agent's Affiliates, and based on such documents and information as it shall deem appropriate at the time, continue to make its own decisions in taking or not taking action under this Agreement and the other Transaction Documents to which it is a party. The Lender and each Secured Party hereby agrees that the Administrative Agent shall not have any duty or responsibility to provide the Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Borrower, the Servicer, Equityholder or their respective Affiliates which may come into the possession of the Administrative Agent or any of its Affiliates.

(i) Indemnification of the Administrative Agent. Each Lender agrees to indemnify the Administrative Agent and any agent, attorney-in-fact or employee appointed by it

pursuant to Section 9.01(d) (to the extent not reimbursed by the Borrower or the Servicer) from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent by any Person (including the Borrower) in any way relating to or arising out of this Agreement or any of the other Transaction Documents, or any action taken or omitted by the Administrative Agent hereunder or thereunder; provided that a Lender shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable judgment; provided further that no action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Article IX. Without limitation of the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for any reasonable out-of-pocket expenses (including counsel fees) incurred by the Administrative Agent in connection with the administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement and the other Transaction Documents, to the extent that such expenses are incurred in the interests of or otherwise in respect of the Secured Parties hereunder and/or thereunder and to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrower or the Servicer.

(j) Successor Administrative Agent. The Administrative Agent may resign at any time, effective upon the appointment and acceptance of a successor Administrative Agent as provided below, by giving at least five days' written notice thereof to the Lender and the Borrower and may be removed at any time with cause by the Lender. Upon any such resignation or removal, the Required Lenders shall appoint a successor Administrative Agent; provided that (x) so long as no Event of Default has occurred and is continuing, unless the Borrower shall otherwise consent in its sole discretion, the Lender may only appoint a successor Administrative Agent who is an Affiliate of SMBC who is not a Designated Entity and (y) after an Event of Default has occurred and is continuing, the Lender may appoint any Person as a successor Administrative Agent who is not a Designated Entity (and with the consent of the Borrower, in the Borrower's sole discretion, may appoint a Designated Entity as a successor Administrative Agent). The Lender agrees that it shall not unreasonably withhold or delay its approval of the appointment of a successor Administrative Agent. If no such successor Administrative Agent shall have been so appointed, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Secured Parties, appoint a successor Administrative Agent which successor Administrative Agent shall be either (i) a commercial bank organized under the laws of the United States or of any state thereof and have a combined capital and surplus of at least \$50,000,000 or (ii) an Affiliate of such a bank. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement. After any resignation or removal of the Administrative Agent hereunder, the provisions of this Article IX shall continue to inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement.

(k) Payments by the Administrative Agent. Unless specifically allocated to a specific Lender pursuant to the terms of this Agreement, all amounts received by the Administrative Agent on behalf of the Lender shall be paid by the Administrative Agent to the Lender and any assignee of the Lender in accordance with the Lender's or such assignee's respective Commitment Percentage, on the Business Day received by the Administrative Agent, unless such amounts are received after 12:00 noon (New York City time) on such Business Day, in which case the Administrative Agent shall use its reasonable efforts to pay such amounts to the Lender and such assignees of the Lender on such Business Day, but, in any event, shall pay such amounts to the Lender and such assignee of the Lender not later than the following Business Day.

ARTICLE X

COLLATERAL AGENT

SECTION 10.01 Designation of Collateral Agent.

(a) Initial Collateral Agent. The role of Collateral Agent shall be conducted by the Person designated as Collateral Agent hereunder from time to time in accordance with this Section 10.01. Each of the Lender and the Administrative Agent hereby designate and appoint SMBC as the Collateral Agent to act as its agent for the purposes of perfection of a security interest in the Collateral Portfolio and hereby authorizes the Collateral Agent to take such actions on its behalf and on behalf of each of the Secured Parties and to exercise such powers and perform such duties as are expressly granted to the Collateral Agent by this Agreement. The Collateral Agent hereby accepts such agency appointment to act as Collateral Agent pursuant to the terms of this Agreement, until its resignation or removal as Collateral Agent pursuant to the terms hereof.

(b) Successor Collateral Agent. Upon the Collateral Agent's receipt of a Collateral Agent Termination Notice from the Administrative Agent of the designation of a successor Collateral Agent pursuant to the provisions of Section 10.05, the Collateral Agent agrees that it will terminate its activities as Collateral Agent hereunder.

SECTION 10.02 Duties of Collateral Agent.

(a) Appointment. The Lender and the Administrative Agent each hereby appoints SMBC to act as Collateral Agent, for the benefit of the Secured Parties. The Collateral Agent hereby accepts such appointment and agrees to perform the duties and obligations with respect thereto set forth herein.

(b) Duties. On or before the initial Advance Date, and until its removal pursuant to Section 10.05, the Collateral Agent shall perform, on behalf of the Secured Parties, the following duties and obligations. The Collateral Agent shall promptly provide to the Servicer a copy of all written notices and communications identified as being sent to it in connection with the Loan Assets and the other Collateral Portfolio held hereunder which it receives from the related Obligor, participating bank and/or agent bank. In no instance shall the Collateral Agent be under any duty or obligation to take any action on behalf of the Servicer in respect of the exercise of any voting or consent rights, or similar actions, unless it receives specific written instructions from the Servicer, prior to the occurrence of an Event of Default or the Administrative Agent, after the

occurrence of Event of Default, in which event the Collateral Agent shall vote, consent or take such other action in accordance with such instructions.

(c) The Administrative Agent and each Secured Party further authorizes the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Transaction Documents as are expressly delegated to the Collateral Agent by the terms hereof and thereof, together with such powers as are reasonably incidental thereto. In furtherance, and without limiting the generality of the foregoing, each Secured Party hereby appoints the Collateral Agent (acting at the direction of the Administrative Agent) as its agent to execute and deliver all further instruments and documents, and take all further action that the Administrative Agent deems necessary or desirable in order to perfect, protect or more fully evidence the security interest granted by the Borrower hereunder, or to enable any of them to exercise or enforce any of their respective rights hereunder, including without limitation the execution by the Collateral Agent as secured party/assignee of such financing or continuation statements, or amendments thereto or assignments thereof, relative to all or any of the Loan Assets now existing or hereafter arising, and such other instruments or notices, as may be necessary or appropriate for the purposes stated hereinabove. Nothing in this Section 10.02(c) shall be deemed to relieve the Borrower or the Servicer of their respective obligations to protect the interest of the Collateral Agent (for the benefit of the Secured Parties) in the Collateral Portfolio, including to file financing and continuation statements in respect of the Collateral Portfolio in accordance with Section 5.01(t).

(i) The Administrative Agent may direct the Collateral Agent to take any action incidental to its express duties hereunder. With respect to actions which are incidental to the actions specifically delegated to the Collateral Agent hereunder, the Collateral Agent shall not be required to take any such incidental action hereunder, but shall be required to act or to refrain from acting (and shall be fully protected in acting or refraining from acting) upon the direction of the Administrative Agent; provided that the Collateral Agent shall not be required to take any action hereunder at the request of the Administrative Agent, any Secured Party or otherwise if the taking of such action, in the reasonable determination of the Collateral Agent, (x) shall be in violation of any Applicable Law or contrary to any provisions of this Agreement or (y) shall expose the Collateral Agent to liability hereunder or otherwise (unless it has received indemnity which it reasonably deems to be satisfactory with respect thereto). In the event the Collateral Agent requests the consent of the Administrative Agent to any incidental action hereunder and the Collateral Agent does not receive a consent (either positive or negative) from the Administrative Agent within 10 Business Days of its receipt of such request, then the Administrative Agent shall be deemed to have declined to consent to the relevant action.

(ii) Except as expressly provided herein, the Collateral Agent shall not be under any duty or obligation to take any affirmative action to exercise or enforce any power, right or remedy available to it under this Agreement (x) unless and until (and to the extent) expressly so directed by the Administrative Agent or (y) prior to the Facility Maturity Date (and upon such occurrence, the Collateral Agent shall act in accordance with the written instructions of the Administrative Agent pursuant to clause (x)). The Collateral Agent shall not be liable for any action taken, suffered or omitted by it in accordance with the request or direction of any Secured Party, to the extent that this Agreement provides

such Secured Party the right to so direct the Collateral Agent, or the Administrative Agent. The Collateral Agent shall not be deemed to have notice or knowledge of any matter hereunder, including an Event of Default, unless a Responsible Officer of the Collateral Agent has knowledge of such matter or written notice thereof is received by the Collateral Agent.

(d) If, in performing its duties under this Agreement, the Collateral Agent is required to decide between alternative courses of action, the Collateral Agent may request written instructions from the Administrative Agent as to the course of action desired by it. If the Collateral Agent does not receive such instructions within two Business Days after it has requested them, the Collateral Agent may, but shall be under no duty to, take or refrain from taking any such courses of action. The Collateral Agent shall act in accordance with instructions received after such two Business Day period except to the extent it has already, in good faith, taken or committed itself to take, action inconsistent with such instructions. The Collateral Agent shall be entitled to rely on the advice of legal counsel and independent accountants in performing its duties hereunder and shall be deemed to have acted in good faith if it acts in accordance with such advice.

(e) Concurrently herewith, the Administrative Agent directs the Collateral Agent and the Collateral Agent is authorized to enter into the Control Agreement. For the avoidance of doubt, all of the Collateral Agent's rights, protections and immunities provided herein shall apply to the Collateral Agent for any actions taken or omitted to be taken under the Control Agreement in such capacity.

SECTION 10.03 Merger or Consolidation.

Any Person (i) into which the Collateral Agent may be merged or consolidated, (ii) that may result from any merger or consolidation to which the Collateral Agent shall be a party, or (iii) that may succeed to the properties and assets of the Collateral Agent substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Agent hereunder, shall be the successor to the Collateral Agent under this Agreement without further act of any of the parties to this Agreement.

SECTION 10.04 Collateral Agent Expenses.

As compensation for its activities hereunder, the Collateral Agent shall be entitled to the Collateral Agent Expenses from the Borrower, payable to the extent of funds available therefor pursuant to Section 2.04.

SECTION 10.05 Collateral Agent Removal.

The Collateral Agent may be removed, with or without cause, by the Administrative Agent by notice given in writing to the Collateral Agent (the "Collateral Agent Termination Notice"); provided that notwithstanding its receipt of a Collateral Agent Termination Notice, the Collateral Agent shall continue to act in such capacity until a successor Collateral Agent has been appointed and has agreed to act as Collateral Agent hereunder; provided that the Collateral Agent shall continue to receive compensation of its fees and expenses in accordance with Section 10.04 above while so serving as the Collateral Agent prior to a successor Collateral Agent being

appointed. Prior to and other than during the continuation of an Event of Default, the prior written consent of the Borrower shall be required to the appointment of any replacement Collateral Agent.

SECTION 10.06 Limitation on Liability.

(a) The Collateral Agent may conclusively rely on and shall be fully protected in acting upon any certificate, instrument, opinion, notice, letter, telegram or other document delivered to it and that in good faith it reasonably believes to be genuine and that has been signed by the proper party or parties. The Collateral Agent may rely conclusively on and shall be fully protected in acting upon (a) the written instructions of any designated officer of the Administrative Agent or (b) the verbal instructions of the Administrative Agent.

(b) The Collateral Agent may consult counsel satisfactory to it and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(c) The Collateral Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it, in good faith, or for any mistakes of fact or law, or for anything that it may do or refrain from doing in connection herewith except in the case of its willful misconduct or grossly negligent performance or omission of its duties.

(d) The Collateral Agent makes no warranty or representation and shall have no responsibility (except as expressly set forth in this Agreement) as to the content, enforceability, completeness, validity, sufficiency, value, genuineness, ownership or transferability of the Collateral Portfolio, and will not be required to and will not make any representations as to the validity or value (except as expressly set forth in this Agreement) of any of the Collateral Portfolio. The Collateral Agent shall not be obligated to take any legal action hereunder that might in its judgment involve any expense or liability unless it has been furnished with an indemnity reasonably satisfactory to it.

(e) The Collateral Agent shall have no duties or responsibilities except such duties and responsibilities as are specifically set forth in this Agreement and no covenants or obligations shall be implied in this Agreement against the Collateral Agent. Notwithstanding any provision to the contrary elsewhere in the Transaction Documents, the Collateral Agent shall not have any fiduciary relationship with any party hereto or any Secured Party in its capacity as such, and no implied covenants, functions, obligations or responsibilities shall be read into this Agreement, the other Transaction Documents or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing, it is hereby expressly agreed and stipulated by the other parties hereto that the Collateral Agent shall not be required to exercise any discretion hereunder and shall have no investment or management responsibility.

(f) The Collateral Agent shall not be required to expend or risk its own funds in the performance of its duties hereunder.

(g) It is expressly agreed and acknowledged that the Collateral Agent is not guaranteeing performance of or assuming any liability for the obligations of the other parties hereto or any parties to the Collateral Portfolio.

or any parties to the Collateral Portfolio.

(h) Subject in all cases to the last sentence of Section 2.05, in case any reasonable question arises as to its duties hereunder, the Collateral Agent may, prior to the occurrence of an Event of Default or the Facility Maturity Date, request instructions from the Servicer and may, after the occurrence of an Event of Default or the Facility Maturity Date, request instructions from the Administrative Agent, and shall be entitled at all times to refrain from taking any action unless it has received instructions from the Servicer or the Administrative Agent, as applicable. The Collateral Agent shall in all events have no liability, risk or cost for any action taken pursuant to and in compliance with the instruction of the Administrative Agent. In no event shall the Collateral Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The Collateral Agent shall not be liable for the acts or omissions of the Collateral Custodian under the Control Agreement or this Agreement and shall not be required to monitor the performance of the Collateral Custodian. Notwithstanding anything herein to the contrary, unless appointed as successor Collateral Custodian hereunder, the Collateral Agent shall have no duty to perform any of the duties of the Collateral Custodian under this Agreement.

SECTION 10.07 Collateral Agent Resignation.

The Collateral Agent may resign at any time by giving not less than 90 days written notice thereof to the Administrative Agent and with the consent of the Administrative Agent, which consent shall not be unreasonably withheld. Upon receiving such notice of resignation, the Administrative Agent shall promptly appoint a successor collateral agent or collateral agents by written instrument, in duplicate, executed by the Administrative Agent, one copy of which shall be delivered to the Collateral Agent so resigning and one copy to the successor collateral agent or collateral agents, together with a copy to the Borrower, Servicer and Collateral Custodian; provided that, prior to and other than during the continuation of an Event of Default, the prior written consent of the Borrower shall be required to the appointment of any replacement Collateral Agent. If no successor collateral agent shall have been appointed and an instrument of acceptance by a successor Collateral Agent shall not have been delivered to the Collateral Agent within 45 days after the giving of such notice of resignation, the resigning Collateral Agent may petition any court of competent jurisdiction for the appointment of a successor Collateral Agent. Notwithstanding anything herein to the contrary, the Collateral Agent may not resign prior to a successor Collateral Agent being appointed.

ARTICLE XI

SECTION 11.01 Amendments and Waivers.

(a) Except as provided in Section 11.01(b), (i) no amendment or modification of any provision of this Agreement shall be effective without the written agreement of the Borrower, the Servicer, the Administrative Agent and the Lender and any assignees of the Lender having in excess of 50% of the Commitment Percentage (the "Required Lenders"), and, solely if such amendment or modification would adversely affect the rights and obligations of the Collateral

U.S. Bank, in each of its capacities, agrees to accept and act upon instructions or directions pursuant to the Transaction Documents sent by unsecured email, facsimile transmission or other similar unsecured electronic methods, provided that any person providing such instructions or directions shall provide to U.S. Bank an incumbency certificate listing persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give U.S. Bank email or facsimile instructions (or instructions by a similar electronic method) and U.S. Bank in its discretion elects to act upon such instructions, U.S. Bank's reasonable understanding of such instructions shall be deemed controlling. Any person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

SECTION 11.03 No Waiver; Remedies. No failure on the part of the Administrative Agent, the Collateral Agent or the Lender to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 11.04 Binding Effect; Assignability; Multiple Lenders.

(a) This Agreement shall be binding upon and inure to the benefit of the Borrower, the Servicer, the Administrative Agent, the Lender, the Collateral Agent, the Collateral Custodian, the Collateral Administrator, the Account Bank and their respective successors and permitted assigns. The Lender and its respective successors and assigns may assign, syndicate, or grant a security interest or sell a participation interest in, (i) this Agreement and the Lender's rights and obligations hereunder and interest herein in whole or in part (including by way of the sale of participation interests therein) and/or (ii) any Advance (or portion thereof) or any Variable Funding Note (or any portion thereof) to any Person other than the Borrower or an Affiliate thereof; provided that, (x) so long as no Event of Default has occurred and is continuing, unless the Borrower shall otherwise consent (such consent not to be unreasonably withheld), the Lender may only assign, syndicate, grant a security interest or sell a participation in, its rights and obligations hereunder to an Affiliate who is not a Designated Entity and (y) after an Event of Default has occurred is continuing, the Lender may assign its rights and obligations hereunder to any Person or Persons who is not a Designated Entity. Any such assignee shall execute and deliver to the Servicer, the Borrower and the Administrative Agent a fully-executed assignment and acceptance substantially in the form of Exhibit N hereto (an "Assignment and Acceptance") and a fully-executed Joinder Supplement. The parties to any such assignment, grant or sale of a participation interest shall execute and record in its books and records such agreement or document as may be satisfactory to such parties. None of the Borrower, the Equityholder or the Servicer may assign, or permit any Lien (other than Permitted Liens) to exist upon, any of its rights or obligations hereunder or under any Transaction Document or any interest herein or in any Transaction Document without the prior written consent of the Required Lenders and the Administrative Agent. Any agreement or instrument to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the participant, agree to any amendment, modification or waiver that affects such participant. The Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 2.11 (subject to the requirements and limitations therein, including the requirements under Section 2.11(d) and (e) (it being understood that the documentation required under Section 2.11(d) and (e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such participant (A) agrees to be subject to the provisions of Section 2.10(e) as if it were an assignee; and (B) shall not be entitled to receive any greater payment under Section 2.10 or 2.11, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the loans (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans, or its other obligations under this Agreement) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose

name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(b) Whenever the term “Lender” is used herein, it shall mean SMBC and/or each of its assignees; provided that prior to the last day of the Reinvestment Period, each such party shall have a pro rata share of the rights and obligations of the Lender hereunder in such percentage amount as shall be obtained by dividing such party’s commitment to fund Advances hereunder by the total commitment of all parties to fund Advances hereunder; provided further that on and after the last day of the Reinvestment Period, each such party shall have a pro rata share of the aggregate Advances Outstanding as shall be obtained by dividing the amount of Advances Outstanding funded by such party by the total amount of Advances Outstanding (in each case, the “Commitment Percentage”). Unless otherwise specified herein, any right at any time of the Lender to enforce any remedy, or instruct the Administrative Agent to take (or refrain from taking) any action hereunder, shall be exercised by the Administrative Agent only upon direction by the Required Lenders at such time.

(c) Notwithstanding any other provision of this Section 11.04, the Lender may at any time pledge or grant a security interest in all or any portion of its rights (including without limitation rights to payment of principal and interest) under this Agreement to secure obligations of the Lender to a Federal Reserve Bank, without notice to or consent of the Borrower or the Administrative Agent; provided that no such pledge or grant of a security interest shall release the Lender from any of its obligations hereunder, or substitute any such pledgee or grantee for the Lender as a party hereto.

(d) Each Affected Party, each Indemnified Party and each Secured Party shall be an express third party beneficiary of this Agreement.

SECTION 11.05 Term of This Agreement. This Agreement, including without limitation the Borrower’s obligation to observe its covenants and other agreements as set forth in Articles V and VI and the Servicer’s obligation to observe its covenants and other agreements as set forth in Articles V and VI, shall remain in full force and effect until the Collection Date; provided that the rights and remedies with respect to any breach of any representation and warranty made or deemed made by the Borrower or the Servicer pursuant to Articles III and IV and the indemnification and payment provisions of Articles VIII and XI and the provisions of Section 11.06, Section 11.07, Section 11.08, Section 11.09, Section 11.11, Section 11.12, and Section 11.13 shall be continuing and shall survive any termination of this Agreement.

SECTION 11.06 GOVERNING LAW; JURY WAIVER. THIS AGREEMENT SHALL, IN ACCORDANCE WITH SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK. EACH OF THE PARTIES HERETO WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION ARISING DIRECTLY OR INDIRECTLY OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREUNDER.

SECTION 11.07 Costs and Expenses.

(a) In addition to the rights of indemnification granted to the Collateral Agent, the Collateral Administrator, the Account Bank, the Administrative Agent, the Lender, the Collateral Custodian and its Affiliates under Section 8.01 and Section 8.02 hereof, the Borrower agrees to pay on the Payment Date pertaining to the Remittance Period in which such cost is incurred all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent, the Lender, the Collateral Agent, the Collateral Administrator, the Account Bank and the Collateral Custodian incurred in connection with the preparation, execution, delivery, administration (including periodic auditing), renewal, amendment or modification of, or any waiver or consent issued in connection with, this Agreement, the Transaction Documents and the other documents to be delivered hereunder or in connection herewith, including without limitation the reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent, the Lender, the Collateral Agent, the Collateral Administrator, the Account Bank and the Collateral Custodian with respect thereto and with respect to advising the Administrative Agent, the Lender, the Collateral Agent, the Collateral Administrator, the Account Bank and the Collateral Custodian as to their respective rights and remedies under this Agreement and the other documents to be delivered hereunder or in connection herewith, and all out-of-pocket costs and expenses, if any (including reasonable counsel fees and expenses), incurred by the Administrative Agent, the Lender, the Collateral Agent, the Collateral Administrator, the Account Bank or the Collateral Custodian in connection with such Person's enforcement, and after the occurrence of an Event of Default, such Person's potential enforcement, of this Agreement, the Transaction Documents and the other documents to be delivered hereunder or in connection herewith; provided that the Borrower shall be liable hereunder only for the reasonable and documented fees and out-of-pocket costs and expenses of one firm of outside counsel (along with local counsel) to each of (w) the Administrative Agent and the Lenders, taken as a whole, (x) the Collateral Agent, (y) the Account Bank and the Collateral Administrator and (z) the Collateral Custodian.

(b) Subject to the limitations of Section 2.11, Section 5.03(i) and Section 11.07(a), the Borrower shall pay on demand all other reasonable out-of-pocket costs and expenses incurred by the Administrative Agent, the Lender, the Collateral Agent, the Collateral Custodian, the Collateral Administrator and the Account Bank, including without limitation all costs and expenses incurred by the Administrative Agent in connection with periodic audits of the Borrower's or the Servicer's books and records, including without limitation the Records.

(c) For the avoidance of doubt, except with respect to the costs and expenses to be paid to the Collateral Agent and the Collateral Custodian, costs and expenses to be paid pursuant to this Section 11.07 shall exclude all allocable overhead costs and expenses.

SECTION 11.08 No Proceedings. The Servicer agrees that it will not institute against, or join any other Person in instituting against, the Borrower any proceedings of the type referred to in the definition of Bankruptcy Event so long as there shall not have elapsed one year (or such longer preference period as shall then be in effect) and one day since the Collection Date.

The provisions of this Section 11.08 are a material inducement for the Administrative Agent, the Collateral Agent and the Lender to enter into this Agreement and the transactions contemplated hereby and are an essential term hereof. The Collateral Agent (acting

as directed by the Administrative Agent) with the consent of the Lender may seek and obtain specific performance of such provisions (including injunctive relief), including without limitation in any bankruptcy, reorganization, arrangement, winding-up, insolvency, moratorium or liquidation proceedings, or other proceedings under United States federal or state bankruptcy laws or any similar laws.

SECTION 11.09 Recourse Against Certain Parties.

(a) No recourse under or with respect to any obligation, covenant or agreement (including without limitation the payment of any fees or any other obligations) of the Administrative Agent or any Secured Party as contained in this Agreement or any other agreement, instrument or document entered into by the Administrative Agent or any Secured Party pursuant hereto or in connection herewith shall be had against any administrator of the Administrative Agent or any Secured Party or any incorporator, affiliate, stockholder, officer, employee or director of the Administrative Agent or any Secured Party or of any such administrator, as such, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that the agreements of each party hereto contained in this Agreement and all of the other agreements, instruments and documents entered into by the Administrative Agent or any Secured Party pursuant hereto or in connection herewith are, in each case, solely the corporate obligations of such party (and nothing in this Section 11.09 shall be construed to diminish in any way such corporate obligations of such party), and that no personal liability whatsoever shall attach to or be incurred by any administrator of the Administrative Agent or any Secured Party or any incorporator, stockholder, affiliate, officer, employee or director of the Lender or the Administrative Agent or of any such administrator, as such, or any of them, under or by reason of any of the obligations, covenants or agreements of the Administrative Agent or any Secured Party contained in this Agreement or in any other such instruments, documents or agreements, or are implied therefrom, and that any and all personal liability of every such administrator of the Administrative Agent or any Secured Party and each incorporator, stockholder, affiliate, officer, employee or director of the Administrative Agent or any Secured Party or of any such administrator, or any of them, for breaches by the Administrative Agent or any Secured Party of any such obligations, covenants or agreements, which liability may arise either at common law or in equity, by statute or constitution, or otherwise, is hereby expressly waived as a condition of and in consideration for the execution of this Agreement. Without limitation of the foregoing, no recourse shall be had for the payment of any amount owing in respect of the Advances or the Facility Documents against the Equityholder, the Servicer, or any Affiliate, shareholder, manager, officer, director, employee or member of the Borrower, the Equityholder, the Servicer or their respective successors or assigns.

(b) Notwithstanding any contrary provision set forth herein, no claim may be made by the Borrower, Equityholder or the Servicer or any other Person against the Administrative Agent or any Secured Party or their respective Affiliates directors, officers, employees, attorneys or agents for any special, indirect, consequential or punitive damages in respect to any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement, or any act, omission or event occurring in connection therewith; and the Borrower, Equityholder and the Servicer each hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or

suspected; provided that nothing in this sentence shall limit the Borrower's or Servicer's indemnification obligations set forth herein.

(c) No obligation or liability to any Obligor under any of the Loan Assets is intended to be assumed by the Administrative Agent or any Secured Party under or as a result of this Agreement and the transactions contemplated hereby.

(d) The provisions of this Section 11.09 shall survive the termination of this Agreement.

SECTION 11.10 Execution in Counterparts; Severability; Integration. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by e-mail in portable document format (.pdf) or facsimile shall be effective as delivery of a manually executed counterpart of this Agreement. In the event that any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. This Agreement and any agreements or letters (including fee letters related to the subject matter hereof) executed in connection herewith contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof, superseding all prior oral or written understandings other than any fee letter delivered by the Servicer to the Administrative Agent and the Lender. By executing this Agreement, the parties hereto hereby acknowledge and agree, and direct the Collateral Custodian, the Collateral Administrator and the Account Bank to acknowledge and agree and the Collateral Custodian, the Collateral Administrator and the Account Bank do hereby acknowledge and agree, that execution of this Agreement, any instruction, direction, notice, form or other document executed by the any party to this Agreement or the Transaction Documents in connection with this Agreement or such other Transaction Documents, by electronic signatures (whether by Orbit, Adobe Fill & Sign, Adobe Sign, DocuSign, or any other similar platform identified by such party and reasonably available at no undue burden or expense to the Collateral Custodian, the Collateral Administrator or the Account Bank) shall be permitted hereunder notwithstanding anything to the contrary herein and such electronic signatures shall be legally binding as if such electronic signatures were handwritten signatures. Any electronically signed document delivered via email from a person purporting to be a Responsible Officer shall be considered signed or executed by such Responsible Officer on such party's behalf. The Administrative Agent and the Borrower hereby designate and appoint the Collateral Custodian to act as its agent and hereby authorizes the Collateral Custodian to take such actions on its behalf and to exercise such powers and perform such duties as are expressly granted to the Collateral Custodian by this Agreement. The Collateral Custodian hereby accepts such agency appointment to act as Collateral Custodian pursuant to the terms of this Agreement, until its resignation or removal as Collateral Custodian pursuant to the terms hereof.

(b) Successor Collateral Custodian. Upon the Collateral Custodian's receipt of a Collateral Custodian Termination Notice from the Administrative Agent of the designation of a successor Collateral Custodian pursuant to the provisions of Section 12.05, the Collateral Custodian agrees that it will terminate its activities as Collateral Custodian hereunder.

SECTION 12.02 Duties of Collateral Custodian.

(a) Appointment. The Borrower and the Administrative Agent each hereby appoints U.S. Bank to act as Collateral Custodian, for the benefit of the Secured Parties. Notwithstanding anything herein to the contrary, the Collateral Custodian’s obligation to review the Required Loan Documents shall be limited to reviewing such Required Loan Documents based on the information provided on the Loan Asset Schedule and Loan Asset Checklist. If, at the conclusion of such review, the Collateral Custodian shall determine that (i) the original balance of the Loan Asset with respect to which it has received Required Loan Documents is less than as set forth on the Loan Asset Schedule, the Collateral Custodian shall notify the Administrative Agent and the Servicer of such discrepancy within one Business Day, or (ii) any other Review Criteria is not satisfied, the Collateral Custodian shall within one Business Day notify the Servicer of such determination and provide the Servicer with a list of the non-complying Loan Assets and the applicable Review Criteria that they fail to satisfy. (ii) In taking and retaining custody of the Required Loan Documents, the Collateral Custodian shall be deemed to be acting as the agent of the Secured Parties; provided that the Collateral Custodian makes no representations as to the existence, perfection or priority of any Lien on the Required Loan Documents or the instruments therein; provided further that the Collateral Custodian's duties shall be limited to those expressly contemplated herein and no implied obligations or responsibilities shall be read into this Agreement against or on the part of the Collateral Custodian.

(iii) All Required Loan Documents that are originals shall be kept in fire resistant vaults, rooms or cabinets at the locations specified on the address of the Collateral Custodian set forth in Section 5.05(c), or at such other office as shall be specified to the Administrative Agent and the Servicer by the Collateral Custodian in a written notice delivered at least 30 days prior to such change. All Required Loan Documents shall be placed together with an appropriate identifying label and maintained in such a manner so as to permit retrieval and access. The Collateral Custodian shall segregate the Required Loan Documents on its inventory system and will not commingle the physical Required Loan Documents with any other files of the Collateral Custodian other than those, if any, relating to the Servicer and its Affiliates and subsidiaries; provided that the Collateral Custodian shall segregate any commingled files upon written request of the Administrative Agent or the Borrower.

(iv) On the 20th calendar day of every month (or if such day is not a Business Day, the next succeeding Business Day), the Collateral Custodian shall provide a written report to the Administrative Agent and the Servicer (in a form mutually agreeable to the Administrative Agent and the Collateral Custodian) identifying each Loan Asset for which it holds Required Loan Documents and the applicable Review Criteria that any Loan Asset fails to satisfy.

(v) In performing its duties, the Collateral Custodian shall use the same degree of care and attention as it employs with respect to similar collateral that it holds as collateral custodian for others.

(c) (i) The Collateral Custodian agrees to cooperate with the Administrative Agent and the Collateral Agent and deliver any Required Loan Documents to the Collateral Agent or the Administrative Agent (pursuant to a written request in the form of Exhibit M), as applicable, as requested in order for the Collateral Agent or the Administrative Agent to take any action that the Collateral Agent or the Administrative Agent deems necessary or desirable in order to perfect, protect or more fully evidence the security interests granted by the Borrower hereunder, or to enable any of them to exercise or enforce any of their respective rights hereunder, including any rights arising with respect to Article VII. In the event the Collateral Custodian receives instructions from the Servicer or the Borrower which conflict with any instructions received from the Administrative Agent or the Collateral Agent, the Collateral Custodian shall rely on and follow the instructions given by the Administrative Agent or the Collateral Agent, as applicable; provided

that in the event any instructions given by the Administrative Agent and the Collateral Agent conflict, the Collateral Custodian shall rely on and follow the instructions given by the Collateral Agent; provided further that the Collateral Custodian shall promptly provide notification to the Servicer, the Borrower and/or the Administrative Agent, as applicable, of such conflicting instructions; provided further that any such failure on the part of the Collateral Custodian to deliver such notice shall not render such action by the Collateral Custodian invalid.

(ii) The Administrative Agent may direct the Collateral Custodian to take any action incidental to its express duties hereunder. With respect to actions which are incidental to the actions specifically delegated to the Collateral Custodian hereunder, the Collateral Custodian shall not be required to take any such incidental action hereunder, but shall be required to act or to refrain from acting (and shall be fully protected in acting or refraining from acting) upon the direction of the Administrative Agent; provided that the Collateral Custodian shall not be required to take any action hereunder at the request of the Administrative Agent, any Secured Parties or otherwise if the taking of such action, in the reasonable determination of the Collateral Custodian, (x) shall be in violation of any Applicable Law or contrary to any provisions of this Agreement or (y) shall expose the Collateral Custodian to liability hereunder or otherwise (unless it has received indemnity which it reasonably deems to be satisfactory with respect thereto). In the event the Collateral Custodian requests the consent of the Administrative Agent or the Collateral Agent and the Collateral Custodian does not receive a consent (either positive or negative) from the Administrative Agent or the Collateral Agent, as applicable, within 10 Business Days of its receipt of such request, then the Administrative Agent or the Collateral Agent, as applicable, shall be deemed to have declined to consent to the relevant action.

(iii) The Collateral Custodian shall not be liable for any action taken, suffered or omitted by it in accordance with the request or direction of any Secured Party, to the extent that this Agreement provides such Secured Party the right to so direct the Collateral Custodian, or the Administrative Agent. The Collateral Custodian shall not be deemed to have notice or knowledge of any matter hereunder, including an Event of Default or a Notice of Exclusive Control, unless a Responsible Officer of the Collateral Custodian has actual knowledge of such matter or written notice thereof is received by a Responsible Officer of the Collateral Custodian.

(ii) The Collateral Administrator shall calculate amounts to be remitted pursuant to Section 2.04 to the applicable parties and notify the Servicer and the Administrative Agent in the event of any discrepancy between the Collateral Administrator's calculations and the Servicing Report (such dispute to be resolved in accordance with Section 2.05).

(x) The Account Bank shall provide the Servicer with such other information as may be reasonably requested in writing by the Servicer and as is within the possession of the Account Bank.

SECTION 12.03 Merger or Consolidation.

Any Person (i) into which the Collateral Custodian may be merged or consolidated, (ii) that may result from any merger or consolidation to which the Collateral Custodian shall be a party, or (iii) that may succeed to the properties and assets of the Collateral Custodian substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Custodian hereunder, shall be the successor to the Collateral Custodian under this Agreement without further act of any of the parties to this Agreement.

SECTION 12.04 Collateral Custodian, Collateral Administrator and Account Bank Compensation.

As compensation for the Collateral Custodian's activities hereunder, the Collateral Administrator's activities hereunder and the Account Bank's activities hereunder and under the Control Agreement, the Collateral Custodian and the Account Bank shall be entitled to the Collateral Custodian Fees and the Collateral Custodian Expenses from the Borrower as set forth in the U.S. Bank Fee Letter. The Collateral Custodian, the Collateral Administrator and the Account Bank shall be entitled to receive the Collateral Custodian Fees and Collateral Custodian Expenses to the extent of funds available therefor pursuant to Section 2.04; provided that, for the avoidance of doubt, to the extent funds are not so available on any Payment Date to pay such fees or reimburse such expenses incurred during the immediately ended Remittance Period, such payment or reimbursement amount shall be deferred and payable on the next Payment Date on which funds are available therefor pursuant to Section 2.04. SECTION 12.06 Limitation on Liability.

(a) The Collateral Custodian may conclusively rely on and shall be fully protected in acting upon any certificate, instrument, opinion, notice, letter, telegram or other document or electronic communication delivered to it and that in good faith it reasonably believes to be genuine and that has been signed by the proper party or parties. The Collateral Custodian may rely conclusively on and shall be fully protected in acting upon (a) the written instructions of any designated officer of the Administrative Agent or the Borrower (or the Servicer on the Borrower's behalf) or (b) the verbal instructions of the Administrative Agent or the Borrower (or the Servicer on the Borrower's behalf).

(b) The Collateral Custodian may consult counsel satisfactory to it and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(c) Neither the Collateral Custodian nor its officers, directors or employees shall be liable for any error of judgment, or for any act done or step taken or omitted by such Person, in good faith, or for any mistakes of fact or law, or for anything that such Person may do or refrain from doing in connection herewith except in the case of such Person's willful misconduct or grossly negligent performance or omission of such Person's duties hereunder. Under no

circumstances will the Collateral Custodian be liable for indirect, special, punitive, consequential or incidental damages, such as loss of use, revenue or profit. The Collateral Custodian shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation (other than a statement, warranty or representation made by the Collateral Custodian) made in or in connection with this Agreement or any other loan document, (ii) the contents of any certificate, report or other document (except to the extent prepared by the Collateral Custodian) delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions (except as the same are required to be performed or observed by the Collateral Custodian) set forth herein or therein or the occurrence of any Event of Default, or (iv) the due execution, legality, validity, enforceability, effectiveness or genuineness (except the same relates to the Collateral Custodian) of this Agreement, any other loan document, any of the Collateral Portfolio or any other agreement, instrument or document.

(d) The Collateral Custodian makes no warranty or representation and shall have no responsibility (except as expressly set forth in this Agreement) as to the content, enforceability, completeness, validity, sufficiency, value, genuineness, ownership or transferability of the Collateral Portfolio, and will not be required to and will not make any representations as to the validity or value (except as expressly set forth in this Agreement) of any of the Collateral Portfolio. The Collateral Custodian shall not be obligated to take any legal action hereunder that might in its judgment involve any expense or liability unless it has been furnished with an indemnity reasonably satisfactory to it.

(e) The Collateral Custodian shall have no duties or responsibilities except such duties and responsibilities as are specifically set forth in this Agreement and no covenants or obligations shall be implied in this Agreement against the Collateral Custodian. The permissive right of the Collateral Custodian to take any action hereunder shall not be construed as a duty.

(f) The Collateral Custodian shall not be required to expend or risk its own funds in the performance of its duties hereunder.

(g) It is expressly agreed and acknowledged that the Collateral Custodian is not guaranteeing performance of or assuming any liability for the obligations of the other parties hereto or any parties to the Collateral Portfolio.

(h) In the event that (i) the Borrower, the Servicer, the Administrative Agent, Lenders, or the Collateral Custodian shall be served by a third party with any type of levy, attachment, writ or court order with respect to any Loan Asset or Required Loan Document or (ii) a third party shall institute any court proceeding by which any Required Loan Document shall be required to be delivered otherwise than in accordance with the provisions of this Agreement, the party receiving such service shall promptly deliver or cause to be delivered to the other parties to this Agreement copies of all court papers, orders, documents and other materials concerning such proceedings. The Collateral Custodian shall, to the extent permitted by law, continue to hold and maintain all the Required Loan Documents that are the subject of such proceedings pending a final, nonappealable order of a court of competent jurisdiction permitting or directing disposition thereof. Upon final determination of such court, the Collateral Custodian shall dispose of such Required Loan Documents as directed by the Administrative Agent, which shall give a direction

consistent with such determination. Expenses of the Collateral Custodian incurred as a result of such proceedings shall be borne by the Borrower.

(i) Subject in all cases to the last sentence of Section 12.02(c)(i), in case any reasonable question arises as to its duties hereunder, the Collateral Custodian may, prior to the occurrence of an Event of Default or the Facility Maturity Date, request instructions from the Servicer and may, after the occurrence of an Event of Default or the Facility Maturity Date, request instructions from the Administrative Agent, and shall be entitled at all times to refrain from taking any action unless it has received instructions from the Servicer or the Administrative Agent, as applicable. The Collateral Custodian shall in all events have no liability, risk or cost for any action taken pursuant to and in compliance with the instruction of the Administrative Agent. In no event shall the Collateral Custodian be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Collateral Custodian has been advised of the likelihood of such loss or damage and regardless of the form of action.

(j) The Collateral Custodian shall not be bound to make any independent investigation into the facts or matters stated in any notice, instruction, statement, certificate, request, waiver, consent, opinion, report, receipt or other paper, document or electronic communication; provided that if the form thereof is specifically prescribed in any way by the terms of this Agreement, the Collateral Custodian shall examine the same to determine whether it substantially conforms on its face to such requirements hereof. It is expressly acknowledged by the Borrower, the Servicer, the Lenders and the Administrative Agent that performance by the Collateral Custodian of its various duties hereunder (including recalculations to be performed in respect of the matters contemplated hereby) shall be based upon, and in reliance upon, data, information and notices provided to it by the Servicer (and/or the Borrower) and/or any related bank agent, obligor or similar party with respect to the Collateral Portfolio, and the Collateral Custodian shall have no responsibility for the accuracy of any such information or data provided to it by such persons and shall be entitled to update its records (as it may deem necessary or appropriate). Nothing herein shall impose or imply any duty or obligation on the part of the Collateral Custodian to verify, investigate or audit any such information or data, or to determine or monitor on an independent basis whether any issuer of the Collateral Portfolio is in default or in compliance with the underlying documents governing or securing such item of the Collateral Portfolio, from time to time. The Collateral Custodian shall have no liability for any failure, inability or unwillingness on the part of the Servicer, the Borrower or the Administrative Agent to provide accurate and complete information on a timely basis to the Collateral Custodian or otherwise on the part of any such party to comply with the terms of this Agreement, and shall have no liability for any inaccuracy or error in the performance or observance on the Collateral Custodian's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

(k) The Collateral Custodian shall not be deemed to have knowledge or notice of any matter unless actually known to a Responsible Officer of the Collateral Custodian.

(l) Nothing herein shall obligate the Collateral Custodian to commence, prosecute or defend legal proceedings in any instance, whether on behalf of the Borrower or on its

own behalf or otherwise, with respect to any matter arising hereunder, or relating to this Agreement or the services contemplated hereby.

(m) In acting hereunder and under the Control Agreement, the Account Bank shall be entitled to the same protections, rights, immunities and indemnities as are afforded the Collateral Custodian; provided that such protections, rights, immunities and indemnities shall be in addition to, and not in limitation of, any protections, rights, immunities and indemnities provided in the Control Agreement. For so long as the Account Bank, the Collateral Administrator and the Collateral Custodian are the same entity, U.S. Bank in each such role shall be entitled to the same rights, immunities, indemnities and protections afforded to U.S. Bank in each of its roles under this Agreement and the other Transaction Documents.

(n) The Collateral Custodian may assume the genuineness of any such Required Loan Document it may receive and the genuineness and due authority of any signatures appearing thereon, and shall be entitled to assume that each Required Loan Document it may receive is what it purports to be. If an original "security" or "instrument" as defined in Section 8-102 and Section 9-102(a)(47) of the UCC, respectively, is or shall be or become available with respect to any portion of the Collateral Portfolio to be held by the Collateral Custodian under this Agreement, it shall be the sole responsibility of the Borrower to make or cause delivery thereof to the Collateral Custodian, and the Collateral Custodian shall not be under any obligation at any time to determine whether any such original security or instrument has been or is required to be issued or made available in respect of any portion of the Collateral Portfolio or to compel or cause delivery thereof to the Collateral Custodian. The Collateral Custodian shall have no liability for losses arising from any cause beyond its control, including acts of God, strikes, lockouts, riots, acts of war or terrorism, epidemics, nationalization, expropriation, currency restrictions, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, tornadoes or other disaster, or any delay, error, omission or default of mail, telegraph, cable or wireless agency or operator, or the acts or edicts of any government or governmental agency or other group or entity exercising governmental powers. However, should the Collateral Custodian fail to be able to perform as required, the Collateral Custodian shall notify the Servicer and the Administrative Agent as soon as practicable of such occurrence and the Collateral Custodian shall use reasonable efforts to resume performance as soon as reasonably practical under the circumstances.

(o) The Collateral Custodian may act or exercise its duties or powers hereunder through agents or attorneys and the Collateral Custodian shall not be liable or responsible for the actions or omissions of any such agent or attorney appointed with due care. Neither the Collateral Custodian nor any of its affiliates, directors, officers, shareholders, agents or employees will be liable to the Servicer, the Borrower or any other Person, except by reason of acts or omissions by the Collateral Custodian constituting bad faith, willful misconduct, gross negligence or reckless disregard of the Collateral Custodian's duties hereunder.

(p) The Collateral Custodian shall not be liable for interest on any money received by it except as the Collateral Custodian may agree in writing with the Borrower. In no event shall the Collateral Custodian be liable for the selection of any investments or any losses in connection therewith (except in its capacity as obligor thereunder, if applicable), or for any failure

of the relevant party to provide investment instruction to the Collateral Custodian in connection with the investment of funds in or from any account set forth herein.

(q) The Collateral Custodian shall have no duty to determine or inquire into the happening or occurrence of any event or contingency, and it is agreed that its duties hereunder are purely ministerial in nature.

(r) The Collateral Custodian shall not be responsible to the Lenders for the perfection of any Lien or for the filing, form, content or renewal of any UCC financing statements, and such other documents or instruments, provided however that if instructed by the Lenders and at the expense of the Borrower, the Collateral Custodian shall arrange for the filing and continuation, of financing statements or other filing or recording documents or instruments for the perfection of security interests in the Collateral Portfolio; provided, that, the Collateral Custodian shall not be responsible for the preparation, form, content, sufficiency or adequacy of any such financing statements all of which shall be provided in writing to the Collateral Custodian by the Lenders including the jurisdictions and filing offices where the Collateral Custodian is required to file such financing statements.

(s) None of the Collateral Custodian, the Collateral Administrator or the Account Bank shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of LIBOR (or other applicable Benchmark Replacement), or whether or when there has occurred, or to give notice to any other party of the occurrence of, any Benchmark Replacement Date, Benchmark Transition Event, Benchmark Transition Start Date or Benchmark Unavailability Period (ii) to select, identify or designate any alternative reference rate index (including any Benchmark Replacement), or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, identify or designate any Benchmark Replacement Adjustment, or other modifier to any replacement or successor index, or (iv) to determine whether or what administrative procedures or any Benchmark Replacement Conforming Changes or other modifications to this Agreement or any other Transaction Document may be necessary or advisable in respect of the determination and implementation of any alternative reference rate index (including any Benchmark Replacement), if any, in connection with any of the foregoing.

(t) None of the Collateral Custodian, the Collateral Administrator or the Account Bank shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Agreement as a result of the unavailability of LIBOR (or other applicable Benchmark Replacement) and absence of a designated Benchmark Replacement, including as a result of any inability, delay, error or inaccuracy on the part of any other party, including without limitation the Administrative Agent, the Collateral Agent, the Servicer or the Borrower, by the terms of the Agreement and reasonably required for the performance of such duties.

(u) The Servicer, the Administrative Agent, the Collateral Agent and the Borrower shall cooperate with the Collateral Administrator in connection with the preparation by the Collateral Administrator of the Monthly Reports and the calculations and re-calculations provided hereunder. Without limiting the generality of the foregoing, the Servicer shall advise in a timely manner the Collateral Administrator of the results of any determinations required or permitted to be made by it or the Borrower (or the Servicer on its behalf) and supply the Collateral

Administrator with such other information (to the extent not also maintained or readily available to the Collateral Administrator) as is maintained by the Servicer that the Collateral Administrator may from time to time request with respect to the Collateral Portfolio and reasonably needed to complete the Monthly Reports or any calculations or re-calculations or required to permit the Collateral Administrator to perform its obligations hereunder and any other information that may be reasonably required hereunder with respect to any item of the Collateral Portfolio. The Servicer shall review and verify the contents of the aforesaid reports, instructions, statements, certificates, calculations and recalculations and upon receipt of approval from the Servicer, the Collateral Administrator shall transmit the same to the Borrower and shall make such reports available to the Administrative Agent, the Collateral Agent and the Lenders.

(v) The Collateral Administrator may conclusively rely on and without any investigation, any information provided by the Servicer, Borrower, Administrative Agent, Collateral Agent and any Obligor, participating bank and/or agent bank and its Affiliates with respect to the applicable Loan Assets or Underlying Instruments, along with any related agents with respect to such Loan Assets or Underlying Instruments, in preparation of the Monthly Report. The duties of the Collateral Administrator hereunder are limited to the duties expressly set forth in this Agreement. By entering into, or performing its duties under, this Agreement, the Collateral Administrator shall not be deemed to assume any obligations or liabilities of the Borrower or Servicer under any of the Transaction Documents and nothing herein contained shall be deemed to release, terminate, discharge, limit, reduce, diminish, modify, amend or otherwise alter in any respect the duties, obligations or liabilities of the Borrower or the Servicer under the Transaction Documents.

(w) The Collateral Administrator will make the Monthly Report and any other reports available via its internet website. The Collateral Administrator's internet website shall initially be located at <https://pivot.usbank.com>. The Collateral Administrator may change the way such reports are distributed. As a condition to access to the Collateral Administrator's internet website, the Collateral Administrator may require registration and the acceptance of a disclaimer. The Collateral Administrator shall be entitled to rely on but shall not be responsible for the content or accuracy of any information provided in the Monthly Report which the Collateral Administrator disseminates in accordance with this Agreement and may affix thereto any disclaimer it deems appropriate in its reasonable discretion.

(x) Nothing herein shall impose or imply any duty or obligation on the part of the Collateral Administrator to verify, investigate or audit any such information or data, or to determine or monitor on an independent basis whether any issuer of the Loan Asset is in default or in compliance with the underlying documents governing or securing such securities, from time to time, the role of the Collateral Administrator hereunder being solely to perform certain mathematical computations and data comparisons as provided herein. For purposes of monitoring changes in ratings, the Collateral Administrator shall be entitled to use and rely exclusively upon one or more reputable electronic financial information reporting services, and shall have no liability for any inaccuracies in the information reported by, or other errors or omissions of, any such services. It is hereby expressly agreed that Bloomberg Financial Markets is one such reputable service.

(y) Nothing herein shall obligate the Collateral Administrator to determine independently any characteristic of any Loan Asset, any such determination being based exclusively upon notification the Collateral Administrator receives from the Servicer, the Administrative Agent or the Collateral Agent. Nothing herein shall obligate the Collateral Administrator to review or examine any underlying instrument or contract evidencing, governing or guaranteeing or securing any Loan Asset in order to verify, confirm, audit or otherwise determine any characteristic thereof.

(z) If, in performing its duties under this Agreement, the Collateral Administrator is required to decide between alternative courses of action, the Collateral Administrator may request written instructions from the Borrower (or the Servicer on its behalf) or the Administrative Agent as to the course of action desired by it. If the Collateral Administrator does not receive such instructions within two Business Days after it has requested them, the Collateral Administrator may, but shall be under no duty to, take or refrain from taking any such courses of action. The Collateral Administrator shall act in accordance with instructions received after such two Business Day period except to the extent it has already, in good faith, taken or committed itself to take, action inconsistent with such instructions.

SECTION 12.07 Collateral Custodian or Collateral Administrator Resignation.

The Collateral Custodian or Collateral Administrator may resign and be discharged from its duties or obligations hereunder, not earlier than 90 days after delivery to the Administrative Agent of written notice of such resignation specifying a date when such resignation shall take effect. Upon the effective date of such resignation, or if the Administrative Agent gives the Collateral Custodian or the Collateral Administrator written notice of an earlier termination hereof, the Collateral Custodian or the Collateral Administrator (as applicable) shall (i) be reimbursed for any costs and expenses the Collateral Custodian or the Collateral Administrator shall incur in connection with the termination of its duties under this Agreement and (ii) in the case of the Collateral Custodian, deliver all of the Required Loan Documents in the possession of the Collateral Custodian to the Administrative Agent or to such Person as the Administrative Agent may designate to the Collateral Custodian in writing upon the receipt of a request in the form of Exhibit M; provided that the Borrower shall consent to any successor Collateral Custodian or Collateral Administrator (as applicable) appointed by the Administrative Agent (such consent not to be unreasonably withheld). Notwithstanding anything herein to the contrary, the Collateral Custodian and Collateral Administrator may not resign prior to a successor Collateral Custodian or Collateral Administrator (as applicable) being appointed; provided that if a successor Collateral Custodian or Collateral Administrator has not been appointed within 90 days after delivery to the Administrative Agent of such written notice of resignation, the Collateral Custodian or Collateral Administrator shall be entitled to petition a court of competent jurisdiction to appoint a successor Collateral Custodian or Collateral Administrator (as applicable).

SECTION 12.08 Release of Documents.

(a) Release for Servicing. From time to time and as appropriate for the enforcement or servicing of any of the Collateral Portfolio, the Collateral Custodian is hereby authorized (unless and until such authorization is revoked by the Administrative Agent), upon written receipt from the Servicer of a request for release of documents and receipt in the form

annexed hereto as Exhibit M, to release to the Servicer within two Business Days of receipt of such request, the related Required Loan Documents or the documents set forth in such request and receipt to the Servicer. All documents so released to the Servicer shall be held by the Servicer in trust for the benefit of the Collateral Agent, on behalf of the Secured Parties in accordance with the terms of this Agreement. The Servicer shall return to the Collateral Custodian the Required Loan Documents or other such documents (i) promptly upon the request of the Administrative Agent, or (ii) when the Servicer's need therefor in connection with such foreclosure or servicing no longer exists, unless the Loan Asset shall be liquidated, in which case, the Servicer shall deliver an additional request for release of documents to the Collateral Custodian and receipt certifying such liquidation from the Servicer to the Collateral Agent, all in the form annexed hereto as Exhibit M.

(b) Reserved.

(c) Release for Payment. Upon receipt by the Collateral Custodian of the Servicer's request for release of documents and receipt in the form annexed hereto as Exhibit M (which request for release shall include a statement to the effect that all amounts received in connection with such payment or repurchase have been credited to the Collection Account as provided in this Agreement), the Collateral Custodian shall promptly release the related Required Loan Documents to the Servicer.

(d) Lien Release Dividend. In connection with any Loan Asset for which a Lien Release Dividend is effected in accordance with Section 2.07(d), and within two Business Days after written receipt from the Servicer of a request for release of documents and receipt in the form of Exhibit J, (which request for release shall include a statement to the effect that a Lien Release Dividend is being effected as to such Loan Asset), the Collateral Custodian shall promptly release the related Required Loan Documents for such Loan Asset to the Borrower.

SECTION 12.09 Return of Required Loan Documents.

The Borrower may, with the prior written consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), require that the Collateral Custodian return each Required Loan Document (a) delivered to the Collateral Custodian in error or (b) released from the Lien of the Collateral Agent hereunder pursuant to Section 2.16, in each case by submitting to the Collateral Custodian and the Administrative Agent a written request in the form of Exhibit M hereto (signed by both the Borrower and the Administrative Agent) specifying the Collateral Portfolio to be so returned and reciting that the conditions to such release have been met (and specifying the Section or Sections of this Agreement being relied upon for such release). The Collateral Custodian shall upon its receipt of each such request for return executed by the Borrower and the Administrative Agent promptly, but in any event within five Business Days, return the Required Loan Documents so requested to the Borrower.

SECTION 12.10 Access to Certain Documentation and Information Regarding the Collateral Portfolio; Audits of Servicer.

The Collateral Custodian shall provide to the Administrative Agent access to the Required Loan Documents and all other documentation regarding the Collateral Portfolio

including in such cases where the Administrative Agent is required in connection with the enforcement of the rights or interests of the Secured Parties, or by applicable statutes or regulations, to review such documentation, such access being afforded without charge but only (i) upon not less than two Business Days prior written request, (ii) during normal business hours and (iii) subject to the Servicer's and the Collateral Custodian's normal security and confidentiality procedures. Prior to the Closing Date and periodically thereafter at the discretion of the Administrative Agent, the Administrative Agent may review the Servicer's collection and administration of the Collateral Portfolio in order to assess compliance by the Servicer with the Servicing Standard, as well as with this Agreement and may conduct an audit of the Collateral Portfolio, and Required Loan Documents in conjunction with such a review. Such review shall be (subject to Section 5.03(d)(ii)) reasonable in scope and shall be completed in a reasonable period of time. Without limiting the foregoing provisions of this Section 12.10, from time to time on request of the Administrative Agent, the Collateral Custodian shall permit certified public accountants or other auditors acceptable to the Administrative Agent to conduct, at the expense of the Servicer (on behalf of the Borrower) (subject to applicable limitations herein), a review of the Required Loan Documents and all other documentation regarding the Collateral Portfolio.

SECTION 12.11 Custodian as Agent of Collateral Agent.

The Collateral Custodian agrees that, with respect to any Required Loan Documents at any time or times in its possession or held in its name, the Collateral Custodian shall be the agent of the Collateral Agent, for the benefit of the Secured Parties, for purposes of perfecting (to the extent not otherwise perfected) the Collateral Agent's security interest in the Collateral Portfolio and for the purpose of ensuring that such security interest is entitled to first priority status under the UCC.

SCHEDULE II

PRIOR NAMES, TRADENAMES, FICTITIOUS NAMES
AND "DOING BUSINESS AS" NAMES

SCHEDULE III

ELIGIBILITY CRITERIA

The representations and warranties set forth in this Schedule III are made by the Borrower and the Servicer under the Agreement, with respect to all Loan Assets which are designated as being Eligible Loan Assets on any Borrowing Base Certificate or are otherwise represented to the Administrative Agent or the Lender as being Eligible Loan Assets, or are included as Eligible Loan Assets in any calculation set forth in the Agreement to which this Schedule III is attached. For the avoidance of doubt, if such Loan Asset does not satisfy the representations and warranties set forth in this Schedule III, then the Administrative Agent must expressly consent in its sole discretion to the inclusion of such Loan Asset; it being understood that the Administrative Agent will not be deemed to have consented to the acquisition of a Loan Asset by the Borrower that does not satisfy the representations and warranties set forth in this Schedule III by merely approving the acquisition of such Loan Asset by the Borrower unless there is an express acknowledgement by the Borrower and the Servicer under the Agreement of non-satisfaction of the representations and warranties set forth in this Schedule III.

1. Each such Loan Asset is a First Lien Loan Asset evidenced by a note or a credit document and, to the extent applicable, an assignment or participation document in the form specified in the applicable credit agreement or, if no such specification, on the LSTA assignment form. Each such Loan Asset and the Portfolio Assets related thereto is subject to a valid, subsisting and enforceable first priority perfected security interest (subject only to Permitted Liens) in favor of the Collateral Agent, for the benefit of the Secured Parties, and the Borrower has good and marketable title to and is the sole owner of, such Loan Asset and the Portfolio Assets related thereto, free and clear of all Liens other than any Permitted Liens.

2. As of the related Cut-Off Date, the origination or acquisition of each such Loan Asset by the Borrower and the grant of the security interest to the Collateral Agent, for the benefit of the Secured Parties, in each such Loan Asset have been approved by the Administrative Agent, in its sole discretion, by delivery of an Approval Notice.

3. No Loan Asset constitutes a participation interest in all or a portion of a loan (for the avoidance of doubt, a syndication or co-lending interest which is not documented as a participation interest shall not be deemed a participation interest).

4. The Obligor with respect to each such Loan Asset is organized under the laws of the United States or Canada or any state, province or other political subdivision thereof and its principal operations are located in the United States or Canada.

5. The funding obligations for each such Loan Asset and the Loan Agreement under which such Loan Asset was created have been fully satisfied and all sums available thereunder have been fully advanced, or if such Loan Asset is a Revolving Loan Asset or Delayed Draw Loan Asset, then either (i) the Borrower shall have or have caused to be, at the time of the sale of such Loan Asset to the Borrower, deposited into the Unfunded Exposure Account an amount in Dollars equal to the Unfunded Exposure Equity Amount or (ii) the Unfunded Exposure Equity Amount with respect to such Loan Asset shall not create a Borrowing Base Deficiency.

6. Each such Loan Asset is denominated in Dollars and does not permit the currency or country in which such Loan Asset is payable to be changed.

7. No such Loan Asset is Margin Stock and the Underlying Instruments with respect to such Loan Asset provide that no part of the proceeds of such Loan Asset or any other extension of credit made thereunder will be used to purchase or carry any Margin Stock or to extend credit to others for the purpose of purchasing or carrying any such Margin Stock.

8. The acquisition of such Loan Asset does not cause the Borrower or the assets constituting the Collateral Portfolio to be required to be registered as an investment company under the 1940 Act.

9. As of the related Cut-Off Date, no such Loan Asset is a financing by a debtor-in-possession in any Bankruptcy Proceeding.

10. No such Loan Asset is principally secured by real estate.

11. Such Loan Asset, together with the Underlying Instruments related thereto, contains provisions substantially to the effect that such Loan Asset and such Underlying Instruments constitute a legal, valid, binding and enforceable obligation of the Obligor thereunder and each guarantor thereof, enforceable against each such Person in accordance with its terms, subject to the usual and customary bankruptcy, insolvency and equity limitations.

12. Such Loan Asset is in registered form for U.S. federal income tax purposes unless not a "registration required obligation" as defined in Section 163(f)(2) of the Code.

13. As of the related Cut-Off Date, such Loan Asset is not a Defaulted Loan Asset.

14. The Obligor with respect to each such Loan Asset is not an Affiliate of the Servicer and/or the Equityholder.

15. The acquisition of any such Loan Asset by the Borrower or the grant of the security interest to the Collateral Agent, for the benefit of the Secured Parties, in any such Loan Asset would not (i) violate any material Applicable Law or (ii) cause the Administrative Agent or the Lender (as notified to the Borrower by Administrative Agent or such Lender in its commercially reasonable judgment) to fail to comply with any request or directive (whether or not having the force of law) from any banking or other Governmental Authority having jurisdiction over the Administrative Agent or the Lender.

16. To the knowledge of the Borrower or the Servicer, no such Loan Asset contravenes any material Applicable Law and no part thereof is in violation of any material Applicable Law; provided that for purposes of determining whether a Loan Asset is a Warranty Loan Asset, as of the Cut-Off Date for such Loan Asset, such Loan Asset shall not contravene any Applicable Law and no part thereof shall be in violation of any Applicable Law, without regard to whether the Borrower or the Servicer has any knowledge of such contravention or violation.

17. Pursuant to the Loan Agreement with respect to such Loan Asset, (i) such Loan Asset is eligible (giving effect to the provisions of Sections 9-406 and 9-408 of the UCC) to be sold, transferred or assigned to the Borrower and to have a security interest therein granted to the Collateral Agent, as agent for the Secured Parties, (ii) neither the sale, transfer or assignment of such Loan Asset to the Borrower, nor the granting of a security interest hereunder to the Collateral Agent, as agent for the Secured Parties, violates, conflicts with or contravenes in any material respect any Applicable Law or any contractual or other restriction, limitation or encumbrance binding on the Borrower or the underlying Obligor and (iii) the Loan Agreement requires only usual and customary consents with respect to the enforcement of rights and remedies with respect thereto, and the rights to enforce rights and remedies in respect of the same under the applicable Loan Agreement inure to the benefit of the holder of such Loan Asset;

18. No such Loan Asset is the subject of any assertions in respect of any litigation, right of rescission, set-off, counterclaim or defense, including the defense of usury, by the related Obligor, nor will the operation of any of the terms of the Loan Agreements, or the exercise of any right thereunder, render the Loan Agreements unenforceable in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury, and no such right of rescission, set-off, counterclaim or defense has been asserted with respect thereto, and the Loan Agreements with respect to the Loan Asset provide for an affirmative waiver by the related Obligor of all rights of rescission, set-off and counterclaim against the Borrower and its assignees.

19. Such Loan Asset is not subject to withholding tax unless the Obligor thereon is required under the terms of the related Loan Agreement to make "gross-up" payments that cover the full amount of such withholding tax on an after-tax basis in the event of a change of tax law. The transfer, assignment and conveyance of such Loan Asset (and the other Portfolio Assets related thereto) from the third party assignor of such Loan Asset or other Portfolio Asset to the Borrower is not subject to and will not result in any fee or governmental charge (other than income taxes) payable by the Borrower or any other Person to any federal, state or local government.
