# Disclaimer

This presentation is for informational purposes only. It does not convey an offer of any type and is not intended to be, and should not be construed as, an offer to sell, or the solicitation of an offer to buy, any securities of Nuveen Churchill Direct Lending Corp. (the "Company," "we," "us" or "our"). Any such offering can be made only at the time a qualified offeree receives a confidential private placement memorandum and other operative documents which contain significant details with respect to risks and should be carefully read. In addition, the information in this presentation is qualified in its entirety by reference to all of the information in the Company's confidential private placement memorandum and the Company's public filings with the Securities and Exchange Commission (the "SEC"), including without limitation, the risk factors. Nothing in this presentation constitutes investment advice.

The Company's securities have not been registered under the Securities Act of 1933 or listed on any securities exchange. You or your clients may lose money by investing in the Company. The Company is not intended to be a complete investment program and, due to the uncertainty inherent in all investments, there can be no assurance that the Company will achieve its investment objectives.

The information contained herein is not intended to provide, and should not be relied upon for, accounting, legal or tax advice or investment recommendations. Prospective investors should also seek advice from their own independent tax, accounting, financial, investment and legal advisors to properly assess the merits and risks associated with an investment in the Company in light of their own financial condition and other circumstances.

These materials and the presentations of which they are a part, and the summaries contained herein, do not purport to be complete and no obligation to update or otherwise revise such information is being assumed. Nothing shall be relied upon as a promise or representation as to the future performance of the Company. Such information is qualified in its entirety by reference to the more detailed discussions contained elsewhere in the Company's confidential private placement memorandum and public filings with the SEC.

An investment in the Company is speculative and involves a high degree of risk. There can be no guarantee that the Company's investment objective will be achieved. The Company may engage in other investment practices that may increase the risk of investment loss. An investor could lose all or substantially all of his, her or its investment. The Company may not provide periodic valuation information to investors, and there may be delays in distributing important tax information. The Company's fees and expenses may be considered high and, as a result, such fees and expenses may offset the Company's profits. For a summary of certain of these and other risks, please see the Company's confidential private placement memorandum and public filings with the SEC.

There is no guarantee that any of the estimates, targets or projections illustrated in these materials and any presentation of which they form a part will be achieved. Any references herein to any of the Company's past or present investments or its past or present performance, have been provided for illustrative purposes only. It should not be assumed that these investments were or will be profitable or that any future investments by the Company will be profitable or will equal the performance of these investments.

This presentation contains forward-looking statements that involve substantial risks and uncertainties. Such statements involve known and unknown risks, uncertainties and other factors and undue reliance should not be placed thereon. These forward-looking statements are not historical facts, but rather are based on current expectations, estimates and projections about the Company, our current and prospective portfolio investments, our industry, our beliefs and opinions, and our assumptions. Words such as "anticipates," "expects," "intends," "plans," "will," "may," "continue," "believes," "seeks," "estimates," "would," "could," "should," "targets," "projects," "outlook," "potential," "predicts" and variations of these words and similar expressions are intended to identify forward-looking statements. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors that are outlined in the Company's confidential private placement memorandum and public filings with the SEC, some of which are beyond our control and difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. The Company is providing the information as of this date (unless otherwise specified) and assumes no obligations to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Additionally, our actual results and financial condition may differ materially as a result of the continued impact of the novel coronavirus ("COVID-19") pandemic, including without limitation: the length and duration of the COVID-19 outbreak in the United States as well as worldwide and the magnitude of the economic impact of that outbreak; the effect of the COVID-19 pandemic on our business prospects and the prospects of our portfolio companies, including our and their ability to achieve our respective objectives; and the effect of the disruptions caused by the COVID-19 pandemic on our ability to continue to effectively manage our business (including on our ability to source and close new investment opportunities) and on the availability of equity and debt capital and our use of borrowed money to finance a portion of our investments.

All capitalized terms in the presentation have the same definitions as the Company's 10-K for the year ended December 31, 2020.

# Overview

## *Investment Activity*

Churchill and the Company closed out 2020 with a record level of investment activity. Churchill's platform achieved its fourth consecutive record-breaking year of investment activity, closing and/or committing \$6.0 billion, while maintaining a conservative selectivity ratio.

## *Portfolio Update*

COVID-19 continues to impact the capital markets as we are proactively managing our portfolio and supporting our portfolio companies. Our experienced investment teams are working hard to preserve investor capital. The Company's investment portfolio has not experienced any principal and/or interest defaults since inception and none of the Company's investments are on non-accrual.

## *Liquidity*

The Company has ample liquidity of \$437M<sup>1</sup> available through uncalled committed equity capital and debt financing capacity to execute on attractive new investment opportunities.

# Endnotes

Note: All information is as of December 31, 2020, unless otherwise noted. Numbers may not sum due to rounding.

1. Represents the sum of unfunded equity commitments of \$191M and Financing Facilities Available of \$245M.
2. Reflects the par amount of total new investment activity for the three months ended December 31, 2020. Investment Activity does not include existing draws on Delayed Draw Term Loans and partial paydowns.
3. Average Spread is calculated based off of par amount.
4. 37% of first lien terms loans are unitranche positions.
5. Available for borrowing based on the computation of collateral to support the borrowings and subject to compliance with applicable covenants and financial ratios.
6. Represents total investment portfolio at Fair Value. Total par value of investment commitments is \$372M which includes approximately \$30M of unfunded delayed draw term loan commitments.
7. Weighted average yield on debt and income producing investments, at fair value. The weighted average yield of the Company's debt and income producing securities is not the same as a return on investment for our shareholders but, rather, relates to our investment portfolio and is calculated before the payment of all of our and our subsidiaries' fees and expenses. The weighted average yield was computed using the effective interest rates as of each respective date, including accretion of original issue discount.
8. Average Position Size (at fair value) is calculated as a percentage of Committed Capital. Committed Capital includes Equity Commitment of \$353M as of December 31, 2020 and \$455M from Financing Facilities.
9. Investment Type reflects classification at issuance.
10. 34% of first lien term loans are unitranche positions.
11. Represents current Financing Facilities amount.
12. Shares held by an affiliate of the Company, TIAA.
