Disclaimer

This presentation is for informational purposes only. It does not convey an offer of any type and is not intended to be, and should not be construed as, an offer to sell, or the solicitation of an offer to buy, any securities of Nuveen Churchill Direct Lending Corp. (the "Company," "NCDLC," "we," "us" or "our"). Any such offering can be made only at the time a qualified offeree receives a confidential private placement memorandum and other operative documents which contain significant details with respect to risks and should be carefully read. In addition, the information in this presentation is qualified in its entirety by reference to all of the information in the Company's confidential private placement memorandum and the Company's public filings with the Securities and Exchange Commission (the "SEC"), including without limitation, the risk factors. Nothing in this presentation constitutes investment advice.

The Company's securities have not been registered under the Securities Act of 1933 or listed on any securities exchange. You or your clients may lose money by investing in the Company. The Company is not intended to be a complete investment program and, due to the uncertainty inherent in all investments, there can be no assurance that the Company will achieve its investment objectives.

The information contained herein is not intended to provide, and should not be relied upon for, accounting, legal or tax advice or investment recommendations. Prospective investors should also seek advice from their own independent tax, accounting, financial, investment and legal advisors to properly assess the merits and risks associated with an investment in the Company in light of their own financial condition and other circumstances.

These materials and the presentations of which they are a part, and the summaries contained herein, do not purport to be complete and no obligation to update or otherwise revise such information is being assumed. Nothing shall be relied upon as a promise or representation as to the future performance of the Company. Such information is qualified in its entirety by reference to the more detailed discussions contained elsewhere in the Company's confidential private placement memorandum and public filings with the SEC.

An investment in the Company is speculative and involves a high degree of risk. There can be no guarantee that the Company's investment objective will be achieved. The Company may engage in other investment practices that may increase the risk of investment loss. An investor could lose all or substantially all of his, her or its investment. The Company may not provide periodic valuation information to investors, and there may be delays in distributing important tax information. The Company's fees and expenses may be considered high and, as a result, such fees and expenses may offset the Company's profits. For a summary of certain of these and other risks, please see the Company's confidential private placement memorandum and public filings with the SEC.

There is no guarantee that any of the estimates, targets or projections illustrated in these materials and any presentation of which they form a part will be achieved. Any references herein to any of the Company's past or present investments or its past or present performance, have been provided for illustrative purposes only. It should not be assumed that these investments were or will be profitable or that any future investments by the Company will be profitable or will equal the performance of these investments.

This presentation contains forward-looking statements that involve substantial risks and uncertainties. Such statements involve known and unknown risks, uncertainties and other factors and undue reliance should not be placed thereon. These forward-looking statements are not historical facts, but rather are based on current expectations, estimates and projections about the Company, our current and prospective portfolio investments, our industry, our beliefs and opinions, and our assumptions. Words such as "anticipates," "expects," "intends," "plans," "will," "may," "continue," "believes," "seeks," "estimates," "would," "could," "should," "targets," "projects," "outlook," "potential," "predicts" and variations of these words and similar expressions are intended to identify forward-looking statements. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors that are outlined in the Company's confidential private placement memorandum and public filings with the SEC, some of which are beyond our control and difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. The Company is providing the information as of this date (unless otherwise specified) and assumes no obligations to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Additionally, our actual results and financial condition may differ materially as a result of the continued impact of the novel coronavirus ("COVID-19") pandemic, including without limitation: the length and duration of the COVID-19 outbreak in the United States as well as worldwide and the magnitude of the economic impact of that outbreak; the effect of the COVID-19 pandemic on our business prospects and the prospects of our portfolio companies, including our and their ability to achieve our respective objectives; and the effect of the disruptions caused by the COVID-19 pandemic on our ability to continue to effectively manage our business (including on our ability to source and close new investment opportunities) and on the availability of equity and debt capital and our use of borrowed money to finance a portion of our investments.

All capitalized terms in the presentation have the same definitions as the Company's 10-Q for the quarter ended September 30, 2021.

Overview

Market Update

- Year-to-date total sponsored middle market direct lending issuance was over \$78.3 billion, already exceeding 2020's total volume of \$71.1 billion
- Lenders with substantial hold sizes, underwriting capabilities and the benefit of incumbency in a transaction have a clear competitive advantage
- The market is expected to remain very active heading into 2022

Churchill Investment Activity

- Churchill's platform can now commit up to \$500 million per deal, which aligns with sponsors' demand for complete financing solutions
- Closed/committed \$3.4 billion in ~120 transactions across the platform in Q3, while remaining highly selective
- Exceeded 2020's annual record with over \$6 billion of investment activity year-to-date

NCDLC Portfolio Update

- Highly diversified across 21 industries with an average investment size of less than 1% of total committed capital (shareholder capital plus committed financing)
- Limited exposure to cyclical industries such as retail, restaurants, energy, travel and leisure
- No investments on non-accrual and no principal or interest defaults since inception

Capital Raising & Liquidity

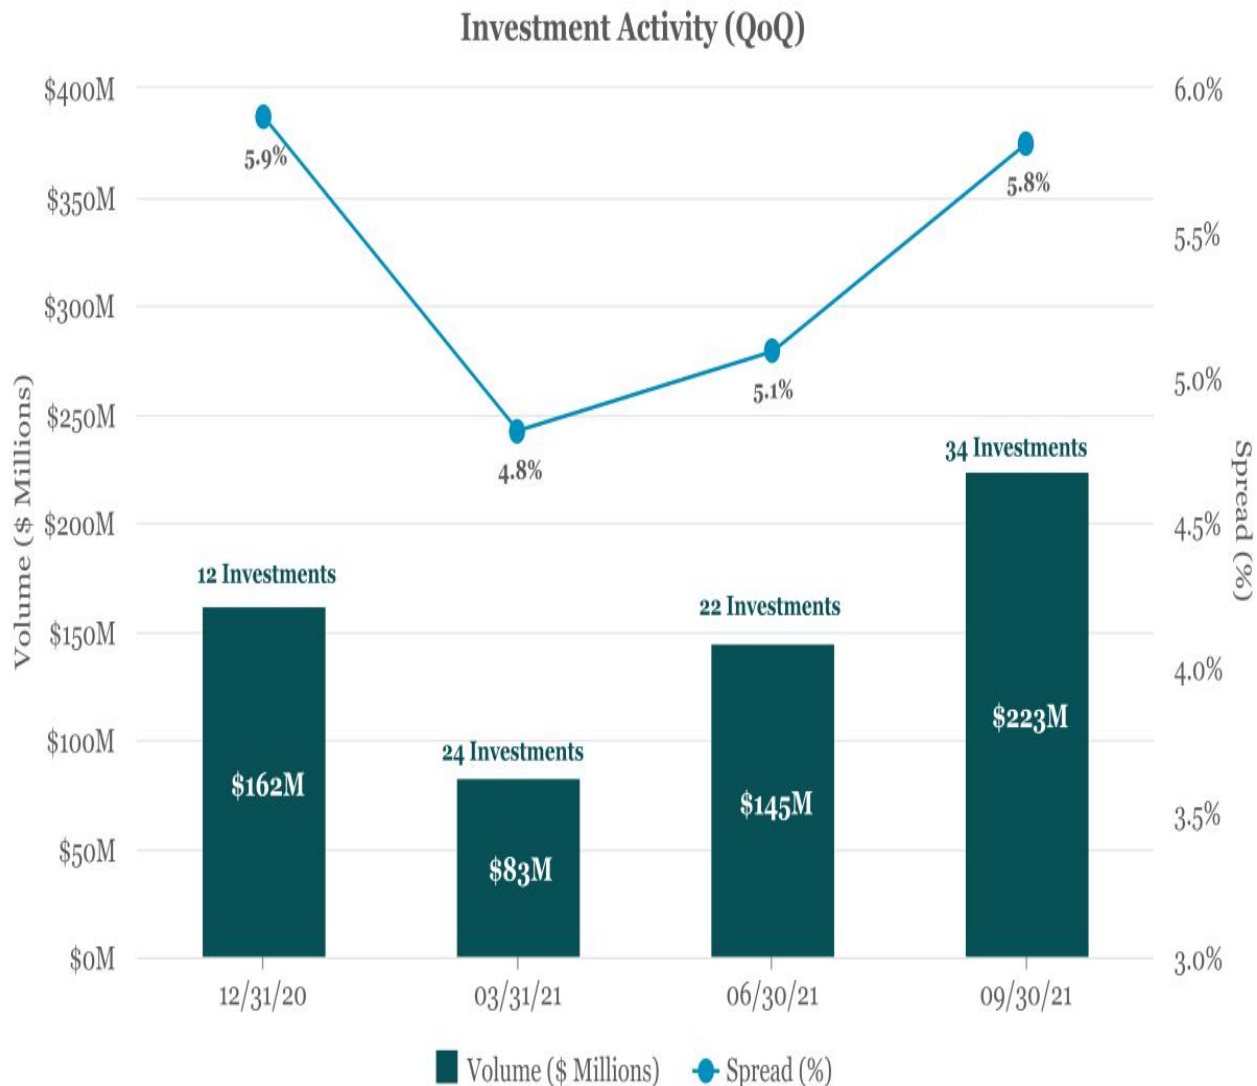

- The Company has closed over \$167 million in new shareholder commitments in 2021, bringing total shareholder commitments to \$520 million
- The Company currently has ample liquidity - \$295 million¹ (from uncalled shareholder capital and committed financing) to pursue attractive investment opportunities

Endnotes

Note: All information is as of September 30, 2021, unless otherwise noted. Numbers may not sum due to rounding.

1. Represents the sum of uncalled shareholder commitments of \$208M and Financing Facilities availability of \$87M.
2. Reflects the par amount of total new investment activity for the three months ended September 30, 2021. Investment Activity does not include draws on existing Delayed Draw Term Loans and partial paydowns.
3. Annualized dividend yield is the annualized total quarterly dividend per share divided by NAV per share as of September 30, 2021.
4. Available for borrowing based on the computation of collateral to support the borrowings and subject to compliance with applicable covenants and financial ratios.
5. The weighted average yield (at cost) was computed using the effective interest rates as of each respective date, including accretion of original issue discount.
6. Average Spread is calculated based off of par amount.
7. Average Coupon is calculated based off of par amount. Average coupon includes 94% cash coupon and 6% PIK.
8. Represents total investment portfolio at Fair Value. Total par value of investment commitments is \$732M which includes approximately \$74M of unfunded delayed draw term loan commitments.
9. Weighted average yield on debt and income producing investments, at fair value. The weighted average yield of the Company's debt and income producing securities is not the same as a return on investment for our shareholders but, rather, relates to our investment portfolio and is calculated before the payment of all of our and our subsidiaries' fees and expenses. The weighted average yield was computed using the effective interest rates as of each respective date, including accretion of original issue discount.
10. Average Position Size (at fair value) is calculated as a percentage of Committed Capital. Committed Capital includes Equity Commitment of \$520M as of September 30, 2021 and \$475M from Financing Facilities.
11. Investment Type reflects classification at issuance.
12. 43% of first lien term loans are unitranche positions.
13. Represents current Financing Facilities amount.
14. Average Interest Rate includes borrowing interest expense and unused fees.
